

FRATERNITY AND SORORITY LIFE

Since 1952, the University of North Texas fraternity and sorority community has been a viable and integral part of campus life. With four councils consisting of over 40 fraternities and sororities, our fraternity and sorority life community offers a unique and life long involvement experience. Fraternity and sorority life promotes the experience of self-governance, leadership development, academic achievement, community service, social opportunities, and friendship.

HOW TO JOIN

Recruitment or membership intake is a mutual selection process for joining a fraternity or sorority. It is a time for prospective members to ask questions, define financial obligations, time commitments, and membership requirements. Registering for recruitment or showing interest in an organization does not obligate you to become a new member of any organizations. Whether or not you decide to join a fraternity or sorority, recruitment and membership intake are great ways to meet people, connect with student life, and find out what fraternity and sorority life has to offer you.

FRATERNITY AND SORORITY LIFE PROGRAMS

Order of Omega and Rho Lamda - Both are Greek honorary societies that have GPA requirements to join. The members of these honor societies have exhibited the highest- qualities of leadership and service to the UNT community.

Greek Ambassadors - This program seeks to educate the local and UNT campus community about the benefits of fraternity and sorority membership, while promoting change in false perceptions. They assist in Greek Preview Day and Fraternity and Sorority Housing Tours throughout the year.

COLLEGIATE PANHELLENIC COUNCIL

Sorority recruitment is a five-day process designed to give a preview of the eight Collegiate Panhellenic Conference (CPC) chapters on campus. You will have an opportunity to explore the academic, leadership, sisterhood, and philanthropic components for each Panhellenic sorority during formal recruitment. Recruitment is usually held in the week before classes start. All potential new members must register online at cfsi.unt.edu.

MULTICULTURAL GREEK COUNCIL

Chapters in the Multicultural Greek Council are culturally based but are not culturally exclusive in membership. Each organization conducts membership intake at various times throughout the year. Information is generally presented through flyers and campus marketing at least two weeks prior to any informational sessions.

NATIONAL PAN-HELLENIC COUNCIL

Chapters in the National Pan-Hellenic Council conduct membership intake at various times throughout the year. Each chapter has a process specific to their organization and will host an informational program for prospective members to better understand the membership expectations and application process. Marketing is generally conducted through flyers and campus advertising prior to any informational sessions.

INTERFRATERNITY COUNCIL

Chapters in the Interfraternity Council conduct an informal recruitment process throughout the year. This is a mutual selection process that requires interested students to attend fraternity sponsored recruitment events throughout the academic year. All potential new members must register online at cfsi.unt.edu.
Registration opens April 1, 2020
