Industry/Executive Education

Jonathon Fite

Jonathon Fite is the President of the Professional Development Institute of the University of North Texas.

About The Instructor

Jonathon brings a diverse background in several industry disciplines, including an expansive work history in the field of logistics.

Professional Background

In addition to his role as the President of PDI, Jonathon is a Lecturer at the University of North Texas. He is working with the Dean and others at UNT's College of Business to develop an Executive Education portfolio focused on operational excellence. He and others with UNT's College of Public Affairs and Community Service are developing programs for Criminal Justice, Government and Community leaders.

Prior to Jonathon's roles with PDI and UNT, he was a strategy consultant at Accenture.

In 2008 he launched a pure pay-for-performance hedge fund which he still manages today. He serves as a Director for the UNT Foundation and for TransAtlantic Petroleum, a NYSE listed oil and gas exploration company based in Dallas.

Educational Background

He has a BS in Electrical Engineering and an MS in Industrial Engineering, both from Wichita State University.
