An overview of your home page

This new landing page is an example of a PeopleSoft fluidized page, a modern, responsive user interface that makes it easy for you to work on phones, tablets, and desktop environments.

Below you will find a description of common elements you will find on all myUNT homepages.

Navigation Collection Tiles

The Navigation Collection Tiles are your gateway to your Faculty Center, class and grade rosters, and resource links. Simply click on the tile to get to a different part of your Faculty homepage.

This tile takes you to the main Faculty Center page, just like the link to the Faculty Center did previously in myUNT. From there, getting to your class rosters, grade rosters or other term information will function exactly the same as they have with the exception of menu options have been added to the right to make it easier to switch between tasks.

The screenshot shows the Faculty Center navigation tile on the left, which features an icon of a person at a computer. A green arrow points from this tile to the 'Faculty Center' link in the top navigation bar of the main page. The main page displays the Faculty Center interface for the 2019 Fall semester at the University of North Texas. It includes a navigation bar with links for My Schedule, Class Roster, Grade Roster, Gradebook, and Class Assignments. Below the navigation bar, there is a 'Select display option' section with radio buttons for 'Show All Classes' (selected) and 'Show Enrolled Classes Only'. A 'Change Term' button and a 'My Exam Schedule' link are also present. The main content area features a 'Checklist' table with columns for Class, Class Title, Enrolled, Days & Times, Room, Class Dates, and Grade Roster Status. The table lists one class: ACCT 2020-001 (1605), ACCOUNT PRIN II (Credit), 25, MoWeFr 8:00AM - 8:50AM, BLB 250, Aug 26, 2019-Dec 13, 2019, Approved. Depending on your access, you will have the ability to toggle between one to four different home pages; Campus Solutions Administrator, Employee Homepage, Student Homepage and Faculty Homepage.

The Navigation Banner: Nav Bar

On the Campus Solutions Administrator page, you will note the center of the screen houses tiles representing the modules in myUNT. Most administrators will not be using these tiles for day to day work and navigation. You will likely be using the right hand system **NavBar**.

2. This will open the **NavBar**. The NavBar houses four options for navigating the system. You can choose the one that works best for you! The first three options are navigation options and will open navigations in the actual NavBar. The final option will open a classic navigation in a separate page.

- a. **Recent Places** - this will store the last 5 pages you have visited.
- b. **My Favorites** - this will store the pages you have added as a favorite. Your 9.0 favorites will carry into 9.2 and you can always add or edits your favorites as you see fit!
- c. **Navigator** - this is the full navigation menu. It will show all navigations you have access to. Instructions for using the Navigator are found in the Staff help documentation at <https://www.unt.edu/myunt-staff>.
