E-RIDE LATE NIGHT TRANSPORTATION/LYFT HOURS

Students are able to request late night transportation between locations on the main campus and Discovery Park by calling 940.565.3014. This service is available M–Th 7:00pm – 2:00am, F–Sun 4:00pm – 2:00am. Service is provided to students with a valid UNT ID. Vehicles are UNT marked 14 passenger mini-buses and are operated by drivers in uniform. Lyft geofenced area services are offered to students with a valid UNT ID (18+ years), M–Sun 2:00am – 7:00am.

PARKING SERVICES

All students parking at the Discovery Park campus must register their vehicle with Parking & Transportation Services and purchase a parking permit. Students may purchase an “E” Eagle parking permit and may only park in the areas designated “E”. Meters are available for hourly parking for individuals without a parking permit. The meter fee is \$2/hour. Prepaid meter cards can be purchased via the ParkMobile App.

CENTER FOR STUDENT AFFAIRS (CSA)

 untdplife  untdplife  DPLife_UNT

LOCATION: G140 **PHONE: 940.369.5847**

CSA's mission is to provide opportunities for leadership development; create a sense of community and campus spirit and traditions in student activities and organizations; provide student services to Discovery Park students; and act as a liaison for Discovery Park students with the UNT administration.

Each year the CSA produces a wide variety of events including:

HAPPY BIRTHDAY DP **DISCO FAIR**
FINALS BREAKFAST **CSA CINEMA PREMIERS**

In addition, we produce several events tied into UNT traditions and celebrations on the main campus including:

HOMECOMING **UNIONFEST**
UNIVERSITY DAY **FOUNDER'S DAY**

Aside from events, the CSA works closely with the recognized student organizations at Discovery Park, serving as a resource. Student organizations can stop in the CSA Office for assistance reserving the Student Organization Room at Discovery Park and advisement on event management and marketing.

STUDENT SERVICES

CAREER CENTER

LOCATION: C111 PHONE: 940.565.2105
WEB: CAREERCENTER.UNT.EDU

The Career Center is here to help you find your academic/career path and equip you to successfully execute the transition from student to professional. We are your job search resource for student employment, internships, on-campus interviews, career fairs, full-time employment, networking events and helping you use the Eagle Network to access jobs and events. We are your professional development resource for individual advising, mock interviews, job shadowing, peer advising and programs like our etiquette dinner and our professional career institute.

The Career Center's Internship Program exists to assist students in obtaining high-quality internships and/or co-op positions prior to graduation. Through experiential education, valuable academic learning occurs outside the classroom. Our mission is to develop well-prepared students who, through the benefits of experiential education, become the next generation of leaders for the global community. We feel strongly that when students gain real-world experience in their field of study, they excel academically, as well as professionally.

DISCOVERY PARK LIBRARY

LOCATION: B112 PHONE: 940.369.7200
WEB: LIBRARY.UNT.EDU/DISCOVERY-PARK

The Discovery Park Library is committed to serving the diverse and evolving information needs of the students, faculty and staff at Discovery Park and supporting the research and education needs of the College of Engineering and College of Information. The library offers a wide variety of services including instruction workshops, reserves, and interlibrary loan. The library also has a computer classroom, private study areas, scanners, laptop and whiteboard checkout and a Smart Board (interactive whiteboard) for student use.

LEARNING CENTER

LOCATION: SAGE 315 PHONE: 940.369.7006
WEB: LEARNINGCENTER.UNT.EDU

The Learning Center provides programs that enhance learning and facilitate academic excellence for UNT students. These programs include free online and face-to-face tutoring, test preparation materials, supplemental instruction, speed reading, and study skills training. Additionally, E² is a tutoring program specifically for engineers. For more information on becoming an engineering tutor or finding one, go to their website.
