### Call for Nominations for the 2013 Citation for Distinguished International Service

**Deadline:** Friday, March 15, 2013  
**Deliver nomination packet to:** UNT-International, 206 Sycamore Hall (deliver to Ms. Kelly Hughes)

In support of the University's vision of cultivating excellence in the next generation of scholars and leaders for the global community, the Global Affairs Committee (GAC), a Provost-appointed, university-wide advisory committee with membership including faculty, administrators, staff, and Student Government Association, has established this Citation as follows:

1. The GAC Citation for Distinguished International Service may be presented to any person within the university community who has performed or achieved an extraordinary record of outstanding, distinguished, meritorious and longstanding service to international education at UNT. The citation is particularly designed to honor those whose principal duties do not include internationalization.
2. The Citation (which may, but need not be awarded annually) will be an individual plaque, with notation on a permanent and continuing plaque posted conspicuously at the University. An honorarium suitable to the high status of the Citation may accompany this award.
3. Any individual or organization within the University community may make a nomination. The final selection will be made by a subcommittee of the GAC after a careful review of the accomplishments of each of the nominees.
