## Spring Gardening with Pollinators

Did you know UNT is a [Bee Campus USA](#) affiliate? The UNT BCUSA committee serves to create educational events/programming that educate our community about the benefits of pollinators to our ecosystem and lives.

A free pollinator-friendly gardening workshop event, co-hosted by the UNT Community Garden, UNT We Mean Green Fund Department, Denton Clear Creek Natural

Heritage Center and City of Denton Sustainability, will be held outside at the [UNT Community Garden](#) on **February 13 from 2:30-3:30 p.m.** Please invite anyone who may be interested by forwarding the [Facebook event](#).

Spring is a great time to build a pollinator garden. Denton's own excellent gardening resource, Rachel Weaver, will lead this hands-on workshop covering how to plan, plant and maintain a successful spring garden that is sure to draw some of your pollinator friends.

## UNT Traditions

### University Seal

At the top of the UNT seal is the lamp of learning, burning with an eternal flame representing academic achievement and excellence. The laurel wreath represents honor, and the beveled Lone Star in the center symbolizes the great state of Texas.

Click [here](#) for more UNT Traditions, which will be spotlighted each week.
