

Message from the Editor

Today is my last day with UNT (I will be starting a new position with TWU on Monday), so *In the Know* is being placed on hold until the new DSA Sr. Communications Strategist is hired.

Please remember that all graphic design, photography, social media and website requests can still be sent to the DSA Marketing and Communications department through the [Project Request Form](#).

It has been a pleasure conveying the Division of Student Affairs' news, successes and achievements to all of you. Keep up the great work that you do for UNT and its students!

Sincerely,
Ray Willhoft

Tour the Denton Recycling Center

UNT Community, ever wonder what happens to your recycling after it goes into the blue bin? Join the UNT [We Mean Green Fund Department](#) and City of Denton Sustainability Education Coordinator Vanessa Ellison for a tour of the

Denton Recycling Center on Wednesday, April 17, 2019, from 12 - 1 p.m. The tour will be held at the Pratt Material Recovery Facility (1401 S. Mayhill Rd., Denton, TX 76208).

As we close out the National [RecycleMania](#) Competition among universities nation-wide, we hope you'll find this tour informational and inspirational. If you have questions about which materials are recyclable in Denton or are curious about recycling, then this will be an eye opening experience for you. A tour of Pratt will help you better understand what happens to your recycling and how you can make a positive impact on our community by recycling correctly at home and at UNT.

Students, staff and faculty are welcome to attend. Space is limited. [Please RSVP here.](#)

Please Note: Transportation will not be provided. Carpooling is highly encouraged. Park or meet in the Solid Waste and Recycling employee lot, and we will walk up to the Pratt facility together as a group at 12 p.m.
