Display your badge anywhere so colleagues, students, and more can recognize your training and professional development. Digital badges are commonly added to email signatures and social media profiles to demonstrate and signify learning competencies. We look forward to seeing you share yours with pride!

Learn how to use your Digital Badge

Settings + Options - Control the privacy of your badge, correct a misspelled name instantly. You can promote your achievement and control where it is shown.

Easy Sharing, Almost Everywhere - Add your badge to your email signature, to your LinkedIn profile, or share to any of your preferred social networks.

Security + Storage - No issues with your badge being sent to the wrong address. Only you receive your credential, and only you can make changes to it. We hold on to your badge so you always view or retrieve it. Employers and anyone else you share your achievement with can instantly verify that you earned the badge.

What is Accredible?

And why does The NCHERM Group send your credential through

us? Accredible makes it easy to create beautiful, interactive, digital badges and certificates. This gives you *many more features* than a traditional paper certificate could: correct misspelled names on your own, download and print a PDF copy, or attach rich evidence like reports or video to substantiate your learning.
