

About Our Instructors

Industry/Executive Education

Wesley Randall

Wesley Randall is Dean of the University of North Texas' New College at Frisco.

About The Instructor

Dr. Randall has also served UNT as chair of the College of Business' Department of Marketing, Logistics and Operations Management.

Professional Background

He retired from the U.S. Air Force as a Lt. Col. following tours in Southwest Asia and Kosovo. He served as chief of engineering management for NATO's Airborne Warning and Control System. He later became a faculty member in the College of Business at Auburn University, then joined UNT as assistant professor of logistics and as coordinator of the logistics doctoral program.

Educational Background

Dr. Randall earned a bachelor's degree in basic academics from the U.S. Air Force Academy, a master's of public administration from Valdosta State University in Georgia, a master's in military studies from the Marine Corps Command and Staff College in Quantico, and a Ph.D. in business administration from UNT.
