

Postal Regulatory Commission  
Certification of FOIA Reading Rooms

**a. Internal Review of Physical FOIA Reading Room**

The Commission has reviewed the legal requirements for FOIA Reading Rooms and finds its Reading Room to be compliant. As to the four categories of Reading Room records all are available to be reviewed in our physical Reading Room;

The Commission does not offer any of its records for sale and thus no records are excluded on this basis, however, records published under the provisions of the Federal Register are excluded from its Reading Room records.

**b. Any Reading Room Deficiencies Addressed**

The Commission did not find any deficiencies during this review.

**c. Certification**

As the Secretary to the Commission and its Chief FOIA Officer, I have reviewed the agency's FOIA Reading Room and certify that the FOIA Reading Room of the Postal Regulatory Commission is in compliance with the requirements of the FOIA.

Postal Regulatory Commission  
Certification of FOIA Reading Rooms

**a. Internal Review of Electronic FOIA Reading Room**

The Commission has reviewed the legal requirements for FOIA Reading Rooms and finds its electronic Reading Room to be compliant. As to the four categories of Reading Room records required all are available electronically in the electronic FOIA Reading Room.

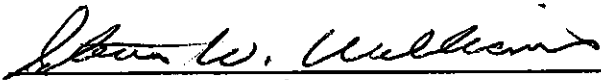

The Commission does not offer any of its records for sale and thus no records are excluded on this basis, however, records published under the provisions of the Federal Register are excluded from its Reading Room records.

**b. Any Reading Room Deficiencies Addressed**

The Commission did not find any deficiencies during this review.

**c. Certification**

As the Secretary to the Commission and its Chief FOIA Officer, I have reviewed the agency's FOIA Reading Room and certify that the FOIA Reading Room of the Postal Regulatory Commission is in compliance with the requirements of the FOIA.
