 - Ongoing - MH Courses (Newest versions uploaded to IAT for testing)
 - Ongoing - A-204 Courses (Newest versions uploaded to IAT for testing)
 - Ongoing - M-3 Courses (Newest versions uploaded to IAT for testing)
- Completed - Project to update Instructor Qualification system within IAT
 - In Process - DOI A-200 Instructor authorization attachments.
 - Completed - USFS A-200 Instructor authorization attachments.
- Ongoing - Data cleanups
 - Ongoing - Duplicate profile merges
 - Ongoing - Rejected email addresses, profile is reviewed, bad email removed, or profile is disabled if no longer in use.
 - Ongoing - Update all fs.fed.us email addresses to usda.gov
- Ongoing - Apostrophes in email addresses - corrections have been made will continue to monitor.
- Completed - Compliance page now recognizes if a user has no unit listed and notifies them on the page that they must have a home unit listed in order to view their compliance as all the training plans are tied to units.
- Completed - Office of Special Trustee for American Indians (OST) organization name updated to Bureau of Trust Funds Administration (BFTA).
- Completed - All USFS/DOI Bureau Fiscal Year reports completed and made available to the IAT Subcommittee
- In Process - Development of process to move students and their training plans from one org to another when requested by a Bureau. Currently this process can only be done manually by the administrator. The new process will allow the help desk to assist Bureaus with re-organization and cleanup of units.
- Completed - Copy of email sent to students when they are removed from a unit sent to the IAT Admin, so they are able to do more cleanup on that user if needed.
