

AGENDA
Meeting of the Basic Energy Sciences Advisory Committee
February 24-25, 1999
Gaithersburg Hilton, Gaithersburg, MD

Wednesday, February 24, 1999		
8:00am - 8:30am	Coffee	
8:30am - 9:00am	Introduction	Geraldine Richmond Chairman of BESAC University of Oregon
9:00am - 10:00am	Comments from the Director, Office of Basic Energy Sciences	Patricia Dehmer, Director Office of Basic Energy Sciences
10:00am - 10:30am	Report of the Solid State Sciences Committee (SSSC) on Condensed-Matter and Materials Physics	Venky Narayanamurti Harvard University
10:30am - 11:00am	Break	
11:00am - 11:45am	Update on Neutron Science Activities in BES	Iran Thomas, Director Material Sciences Division
11:45am - 1:00pm	Lunch	
1:00pm - 1:45pm	Scientific Simulation Initiative - Federal and DOE Perspectives	Daniel Hitchcock, Mathematical Information and Computational Sciences Division
1:45pm - 2:30pm	Scientific Simulation Initiative - BES Perspective	Bill Kirchhoff Chemical Sciences Division
2:30pm - 3:00pm	Report of Planning Activities for the Workshop on Complex Systems	Mark Alper Lawrence Berkeley National Laboratory
3:00pm - 3:30pm	Break	
3:30pm - 4:15pm	Comments from NIH on Needs and Opportunities in Synchrotron Radiation in Macromolecular Crystallography	Marvin Cassman, Director, National Institute of General Medical Sciences, NIH and Chair, OSTP Interagency Working Group on Structural Biology at Synchrotrons
4:15pm - 4:45pm	HFIR - Current Activities and Response to BESAC Review	Jim Roberto Oak Ridge National Laboratory
4:45pm - 5:15pm	SNS - Projected Scientific Programs and Neutron Science User Group Formation	Thomas Mason Oak Ridge National Laboratory
5:15pm - 5:30pm	Public Comment	
6:00pm - 7:00pm	Dinner	O'Donnell's of Kentlands
Thursday, February 25, 1999		
8:15am - 8:45am	Coffee	
8:45am - 9:45am	Comments from the Director, Office of Science	Martha Krebs, Director Office of Science
9:45am - 10:45am	Report of the BESAC Subpanel on Novel, Coherent Light Sources	Stephen Leone, Chair BESAC Panel on Novel, Coherent Light Sources
10:45am - 11:15am	Break	
11:15am - 11:30am	Report of Planning Activities for the BESAC Subpanel Review of the BES Electron-Beam Microcharacterization Centers	John Stringer, Chair BESAC Panel on Review of E-Beam Microcharacterization Centers
11:30am - 12:00pm	Old Business/ New Business	
12:00pm - 12:15pm	Public Comment	
12:15pm	Adjourn
