ORDER

Agency Lake Farms claimed entitlement to a price increase due to differing site conditions on a task order issued under a contract with the Department of Agriculture's Forest Service. The contract was entitled "Ninemile Natural Fuels Reduction" and called for work in the Fremont National Forest, Oregon. A Forest Service contracting officer denied the claim, and the contractor appealed.

The parties have settled their dispute and have filed a joint stipulation for dismissal.

The Board grants the parties' request by **DISMISSING** the case **WITH PREJUDICE**.
