

UNITED STATES  
CIVILIAN BOARD OF CONTRACT APPEALS

---

DISMISSED WITH PREJUDICE: November 29, 2012

CBCA 3054

EXTREME COATINGS, INC.,

Petitioner,

v.

DEPARTMENT OF THE INTERIOR,

Respondent.

Anastasia Olson, President of Extreme Coatings, Inc., Pasco, WA, appearing for Petitioner.

James L. Weiner, Office of the Solicitor, Department of the Interior, Washington, DC, counsel for Respondent.

**HYATT**, Board Judge.

On November 7, 2012, after receipt of petitioners' petition requesting the Board to direct the contracting officer to issue a decision on its claim, the Board issued an order directing the contracting officer to issue a decision on or before December 5, 2012.

Petitioner has now advised the Board that the claim presented to the contracting officer has been settled and that the Bureau of Reclamation has issued a bilateral modification to the contract that resolves all of the disputes identified in its claim.

There is no longer any need for a decision to be issued by the contracting officer. Accordingly, the petition is **DISMISSED WITH PREJUDICE**.
