

The Michigan HCUP State Ambulatory Surgery Databases (SASD) for 2008 dated December 17, 2010 does not contain the data element HOSPID, HCUP hospital identification number. HOSPID is used to group hospital records, but cannot be used to identify the facility. A corrected version of the 2008 Michigan SASD was created in September 2012 and is now available.

We apologize for any inconvenience this may have caused your organization. If you had previously purchased the 2008 Michigan SASD and would like a complimentary copy of the updated file, please contact the HCUP Central Distributor (866-556-4287 toll-free or HCUPDistributor@AHRQ.gov).

Sincerely,
The HCUP Central Distributor Team
