

National Water Quality Monitoring Council

WEBINAR

for State, Regional, and Tribal Water Monitoring Councils, Partnerships, and Alliances

on

An Introduction to Aquatic Sensors and the Aquatic Sensor Workgroup

It would be helpful for participants to visit <http://watersensors.org/> before the webinar and download the “QA Matrix” and the “Field Deployment Guide” for reference during the webinar.

Thursday, June 3, 2010 at 3:00 pm E.T.

Teleconference line is 1-866-299-3188 and access code is 202-566-1174#.

WebEx information: <http://usgs.webex.com/>

The webinar is free and no pre-registration is required

Featuring a presentation by

Dan Sullivan

Co-Chair, Methods and Data Comparability Board

National Water Quality Monitoring Council

Discussion to follow

The National Water Quality Monitoring Council strives to support the creation and building of partnerships which foster collaboration among the water monitoring community, including state, regional, and tribal councils, as well as watershed groups, partnerships, and alliances.
