Subject: Disturbing Phone Calls OPR Received from (b) (6)

This afternoon, OPR Administrative Specialist Stephanie Kemper brought two disturbing phone calls to my attention that OPR received on our main phone number on June 18th and June 20th. In the messages, caller (b) (6) mentions [Robert] Mueller, [James] Comey, and Deputy Attorney General Rosenstein by name; threatens when he gets to Washington he plans to "arrest" them; and invites them to come "down here" so he can "take them behind the shed and do what your dad didn't do". We are sharing these messages with you for review and any action that is warranted. The date and time that OPR received the calls are included at the end of each message along with (b) (6) phone number (b) (6). Please let us know if you require any further information.

Thank you.
