Census Business Builder: Small Business Edition (CBB: SBE) v3.1

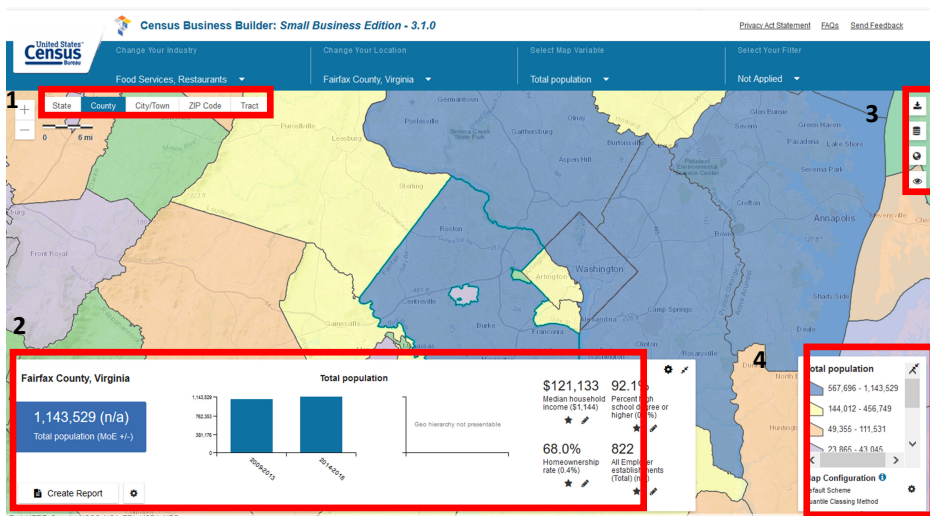

Small Business Edition

CBB: SBE at a Glance

Census Business Builder: Small Business Edition provides easy access to information about potential customers and similar businesses for those starting or planning a business. The data are presented in a map-based interface that is accessed in four simple steps.

CBB: SBE leverages Esri's **ArcGIS** platform and is the first U.S. Census Bureau data tool released on the **cloud**. The tool dynamically combines Census geography and data through an API to deliver updated content to the user.

Map Features

- Geographic Levels:** View data on map by type of geography. Zoom in to select greyed out geographic levels. View more geographies (more cities, zips, and tracts) on the map at one time.
- Dashboard:** Customize dashboard to show/hide time series and geo comparison charts and other variables. Create report for the selected industry and geographic area. Dashboard settings to the URL so they are saved when the user bookmarks the site.
- Map Buttons:** Download data to CSV, Excel, or Shapefile. Add Reference Layers via a Gallery or an uploaded Shapefile or Map Service. Change the basemap from Topographic to Imagery or Dark. Change Data Transparency.
- Customize Map:** Change the map color scheme from 5-color to or 2-color options. Change the map classing method from Quantile to Equal Interval.

Data Included

The Small Business Edition contains the following data:

- ✓ Demographic, socioeconomic, and housing data from the American Community Survey
- ✓ Business data from the County Business Patterns, Nonemployer Statistics, Economic Census, and Survey of Business Owners
- ✓ Imports and Exports data from the International Trade program
- ✓ Workforce data from the Quarterly Workforce Indicators
- ✓ Building Permits data from the Building Permits Survey
- ✓ Your own data (via Excel file upload feature)
- ✓ Consumer Spending data from Esri
- ✓ Agriculture data from the Census of Agriculture (USDA)
- ✓ Hires by Educational Attainment (QWI)
- ✓ Historical data for additional programs
- ✓ Employment and related data from the Bureau of Labor Statistics (BLS) Quarterly Census of Employment and Wages (QCEW)

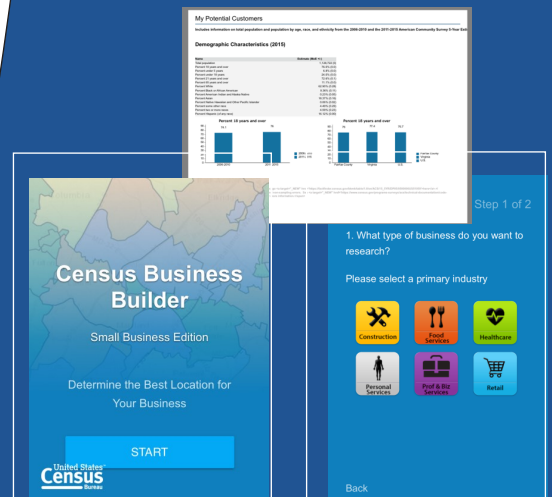

Mobile Optimized

CBB: SBE is Mobile Friendly! Each of the splash pages, map menus, and reports have been designed to be accessed on desktop, laptop, tablet computers or mobile devices.

As a website, accessing CBB:SBE on your mobile device does not require you to download anything... merely launch your favorite web browser and access the same URL as you would use for your desktop.

Geographic Areas Covered

Demographic and Consumer Spending data are shown at the State, County, City/Town ("Place"), ZIP Code, and Census Tract levels.

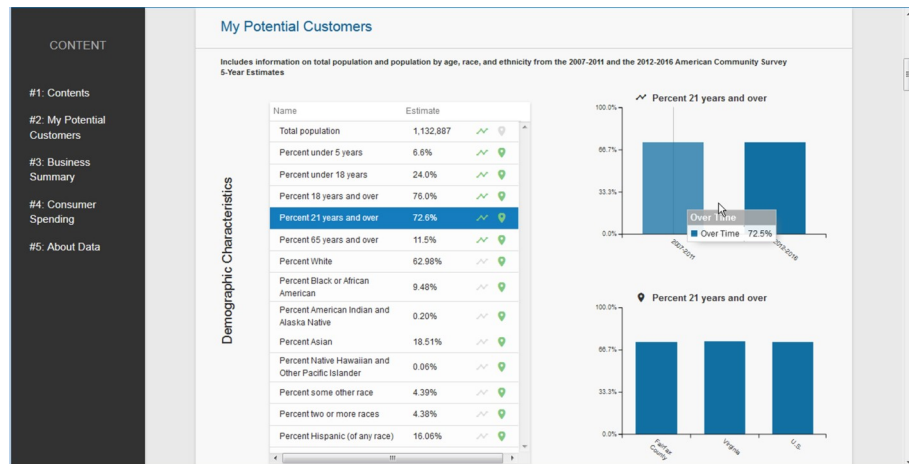

Economic and workforce data are shown at the State, County, and City/Town ("Place") levels. Trade data are shown at the State level.

Users can browse data for every county in the U.S.; previous editions limited the number of geographic areas viewable on the map to 1,000.

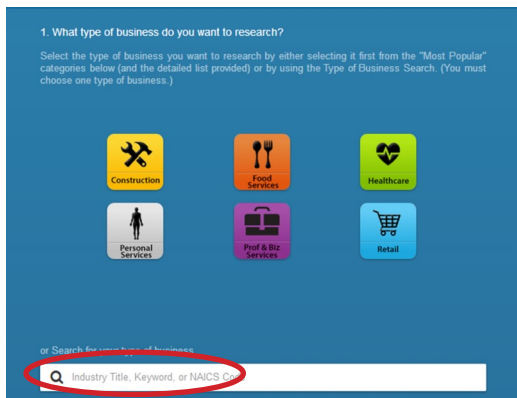

Interactive Report

Fully **interactive, customizable, printable, and downloadable** report with direct access to specific sections via a Content panel. The charts in each section are interactive too and users can select which variable to graph via the icons next to the variable.

The Local Business Profile Report provide access to the **Margins of Error (MoEs)** for the demographic data.

Full Industry Access on Splash Page

SBE gives users access, using icons, to the 54 Most Popular business types and access to all types of businesses via a Search System. This Search accesses the full list of North American Industry Classification System (NAICS) codes covered by the Economic Census.

Users can type in an industry title, keyword, or NAICS code, and the tool brings back a full list of all the associated industries.

Thank you for your interest in the Census Business Builder. Please view the handouts that present step-by-step instructions on detailed features of the tool, plus the Tips handout that provides hints on how best to use the tool. These handouts can be viewed at census.gov/data/data-tools/cbb.html
