

HECAT: Module T

TOBACCO-USE PREVENTION CURRICULUM

Description: This module contains the tools to analyze and score curricula that are intended to promote a tobacco-free lifestyle.

If a curriculum focuses on additional topics, such as mental and emotional health or alcohol and other drugs, use these modules as well.

Healthy Behavior Outcomes (HBO)

A pre-K–12 tobacco-free curriculum should enable students to

- HBO 1. *Avoid using (or experimenting with) any form of tobacco.*
- HBO 2. *Avoid second-hand smoke.*
- HBO 3. *Support a tobacco-free environment.*
- HBO 4. *Support others to be tobacco-free.*
- HBO 5. *Quit using tobacco, if already using.*

This module uses the *National Health Education Standards (NHES)* as the framework for determining the extent to which the curriculum is likely to enable students to master the essential knowledge and skills that promote a tobacco-free lifestyle.

The specific knowledge and skill expectations included in this module were developed through a rigorous process guided by research evidence and expert opinion on the types of knowledge, skills, and learning experiences that help students in grades pre-K–12 adopt and maintain a tobacco-free lifestyle. Appendix 5 also includes suggested knowledge and skill expectations for children ages 3–4, who might be enrolled in a school-based early childhood program.

Because school curricula must meet local community needs and conform to the curriculum requirements of the state or school district, users are encouraged to review the analysis items before analyzing curricula and add, delete, or revise them to meet local needs and requirements.

Some knowledge and skill expectations are relevant to more than one health topic. Look in other health topic modules to see if there are any related knowledge or skill expectations that might be added for the review of tobacco curricula.

Overall Instructions

- Determine the desired HBO (box on left) you expect a curriculum to address.
- Review the HECAT items in this module. Add, delete, or revise items to meet the selected healthy behavior outcomes, the curriculum requirements of the state or school district, and community needs.
- Review the completed *General Curriculum Information* (Chapter 2) for the curriculum under consideration.
- Read the curriculum to become familiar with its content and how it is organized.
- Complete the analysis of the curriculum for each standard in this module.
- Score the curriculum based on the analysis: There will be **one** rating score for coverage of essential knowledge expectations (Standard 1) and **two** rating scores for each of the essential skill expectations and practice (Standards 2–8).
- Transfer scores from the analysis of each standard to the *Overall Summary Form* (Chapter 3).
- Complete a separate analysis for each curriculum being reviewed. Make additional copies of analysis pages as needed.
- Keep all written notes and comments to justify scores and to inform group discussions and curriculum decisions.

Standard 1

The Standard 1 curriculum analysis will result in a single score that reflects the extent to which the curriculum addresses the knowledge required to achieve the selected tobacco-free Healthy Behavior Outcomes (HBOs, page T-1). The HECAT lists the essential knowledge expectations to be completed by grades 2, 5, 8, and 12. These are listed by grade group: pre-K–2; 3–5; 6–8; and 9–12, starting on page T-3.

The relationship of each knowledge expectation to a HBO is identified following each expectation in parentheses. The knowledge expectations are numbered sequentially for the ease of identification and discussion. Before each knowledge expectation, the number represents topic abbreviation, *NHES* standard number, grade group (last grade in that group), and knowledge expectation item number. For example, T1.5.1 would represent Tobacco, standard 1, grade group 3-5, knowledge expectation item 1.

Directions for Standard 1

- Review the knowledge expectations (pages T-3 through T-6).
- Decide if any of the knowledge expectations need to be deleted or modified or if any additional expectations should be added to meet the needs of the community or to conform to the curriculum requirements of the state or school district. Some knowledge expectations may be reflected in the skill expectations in Standards 2–8. Review other standards before making changes to the knowledge expectations in Standard 1.
- Some relevant knowledge expectations might be found in other health topic modules. Look in other related topic modules for those that might be edited and added to the list of expectations for this topic.
- Read the curriculum to become familiar with its content, the information provided for students, and the methods used to convey information and knowledge content.
- Place a check in the box next to each knowledge expectation that is addressed by the curriculum and determine the *Knowledge Expectations Coverage Score*. **Important** — a knowledge expectation is “addressed” if there is sufficient information provided in the curriculum for students to be able to demonstrate understanding of this concept. Some knowledge expectations might require more evidence than others.
- Transfer the *Knowledge Expectations Coverage Score* to the appropriate line on the *Overall Summary Form* (Chapter 3).
- Record notes to justify scores and to inform group discussions and curriculum decisions.
- Analyze Standard 1 for each curriculum being reviewed. If the curriculum addresses more than one grade group, complete a separate analysis of Standard 1 for each group.
- Complete a separate *Overall Summary Form* for each curriculum and grade group.

Instructions for Standards 2–8 are provided on page T-7.

Standard 1 Students will comprehend concepts related to health promotion and disease prevention.

After implementing this curriculum, students will comprehend concepts important for establishing and maintaining a tobacco-free lifestyle.

Grades Pre-K–2 Knowledge Expectations: Check the box next to each tobacco-related knowledge expectation addressed in the curriculum.

By grade 2, students will be able to:

- T1.2.1 Identify a variety of tobacco products. (HB0 1)
- T1.2.2 Identify short-term effects of using tobacco. (HB0 1)
- T1.2.3 Describe the benefits of not using tobacco. (HB0 1)
- T1.2.4 Describe the dangers of experimenting with tobacco. (HB0 1)
- T1.2.5 Identify family rules about avoiding tobacco use. (HB0 1 & 2)
- T1.2.6 Identify the short-and long-term physical effects of being exposed to tobacco smoke. (HB0 2)

Additional Knowledge Expectations

- _____
- _____

KNOWLEDGE EXPECTATIONS COVERAGE SCORE: Complete the score based on the criteria listed below.

The curriculum addresses:

4 = all of the knowledge expectations. (100%)

3 = most of the knowledge expectations. (67-99%)

2 = some of the knowledge expectations. (34-66%)

1 = a few of the knowledge expectations. (1-33%)

0 = none of the knowledge expectations. (0)

KNOWLEDGE EXPECTATIONS COVERAGE SCORE

→

TRANSFER THIS SCORE TO THE KNOWLEDGE EXPECTATIONS LINE OF THE *OVERALL SUMMARY FORM (CHAP. 3)*.

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise knowledge expectations to reflect community needs and to meet the curriculum requirements of the school district.

Standard 1 Students will comprehend concepts related to health promotion and disease prevention.

After implementing this curriculum, students will comprehend concepts important for establishing and maintaining a tobacco-free lifestyle.

Grades 3–5 Knowledge Expectations: Check the box next to each tobacco-related knowledge expectation addressed in the curriculum.

By grade 5, students will be able to:

- T1.5.1 Identify short- and long-term physical effects of using tobacco. (HB0 1)
- T1.5.2 Describe the benefits of abstaining from or discontinuing tobacco use. (HB0 1)
- T1.5.3 Explain the dangers of experimenting with tobacco. (HB0 1)
- T1.5.4 Describe family rules about avoiding tobacco use. (HB0 1 & 2)
- T1.5.5 Explain the short- and long-term physical effects of being exposed to others' tobacco use. (HB0 2)
- T1.5.6 Identify the effects of tobacco use on social relationships. (HB0 1 & 4)
- T1.5.7 Explain that tobacco use is an addiction that can be treated. (HB0 1 & 4)
- T1.5.8 Describe how to support family and friends who are trying to stop using tobacco. (HB0 4)

Additional Knowledge Expectations

- _____
- _____

KNOWLEDGE EXPECTATIONS COVERAGE SCORE: Complete the score based on the criteria listed below.

The curriculum addresses:

- 4 = all of the knowledge expectations.** (100%)
- 3 = most of the knowledge expectations.** (67-99%)
- 2 = some of the knowledge expectations.** (34-66%)
- 1 = a few of the knowledge expectations.** (1-33%)
- 0 = none of the knowledge expectations.** (0)

KNOWLEDGE EXPECTATIONS COVERAGE SCORE

→

**TRANSFER THIS SCORE TO THE KNOWLEDGE EXPECTATIONS
LINE OF THE *OVERALL SUMMARY FORM* (CHAP. 3).**

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise knowledge expectations to reflect community needs and to meet the curriculum requirements of the school district.

Standard 1 Students will comprehend concepts related to health promotion and disease prevention.

After implementing this curriculum, students will comprehend concepts important for establishing and maintaining a tobacco-free lifestyle.

Grades 6–8 Knowledge Expectations: Check the box next to each tobacco-related knowledge expectation addressed in the curriculum.

By grade 8, students will be able to:

- T1.8.1 Describe short- and long- term physical effects of using tobacco. (HB0 1)
- T1.8.2 Summarize the dangers of experimenting with tobacco products. (HB0 1)
- T1.8.3 Describe situations that could lead to the use of tobacco. (HB0 1)
- T1.8.4 Describe the relationship between using tobacco and alcohol or other drugs. (HB0 1)
- T1.8.5 Summarize the benefits of being tobacco-free. (HB0 1)
- T1.8.6 Describe the social, economic, and cosmetic consequences of tobacco use. (HB0 1 & 2)
- T1.8.7 Explain reasons most individuals do not use tobacco products. (HB0 1 & 3)
- T1.8.8 Explain school policies and community laws related to the sale and use of tobacco products. (HB0 1, 3 & 4)
- T1.8.9 Summarize that tobacco use is an addiction that can be treated. (HB0 1 & 4)
- T1.8.10 Summarize the effects of secondhand smoke. (HB0 2)
- T1.8.11 Describe ways to support family and friends who are trying to stop using tobacco. (HB0 3 & 4)
- T1.8.12 Summarize how addiction to tobacco use can be treated. (HB0 4 & 5)
- T1.8.13 Summarize how smoking cessation programs can be successful. (HB0 4 & 5)

Additional Knowledge Expectations

- _____
- _____

KNOWLEDGE EXPECTATIONS COVERAGE SCORE: Complete the score based on the criteria listed below.

The curriculum addresses:

4 = all of the knowledge expectations. (100%)

3 = most of the knowledge expectations. (67-99%)

2 = some of the knowledge expectations. (34-66%)

1 = a few of the knowledge expectations. (1-33%)

0 = none of the knowledge expectations. (0)

KNOWLEDGE EXPECTATIONS COVERAGE SCORE

→

TRANSFER THIS SCORE TO THE KNOWLEDGE EXPECTATIONS LINE OF THE *OVERALL SUMMARY FORM* (CHAP. 3).

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise knowledge expectations to reflect community needs and to meet the curriculum requirements of the school district.

Standard 1 Students will comprehend concepts related to health promotion and disease prevention.

After implementing this curriculum, students will comprehend concepts important for establishing and maintaining a tobacco-free lifestyle.

Grades 9–12 Knowledge Expectations: Check the box next to each tobacco-related knowledge expectation addressed in the curriculum.

By grade 12, students will be able to:

- T1.12.1 Examine situations that could lead to tobacco use. (HB0 1)
- T1.12.2 Analyze short- and long- term physical effects of tobacco use. (HB0 1)
- T1.12.3 Analyze short and long- term psychological and social effects of tobacco use. (HB0 1)
- T1.12.4 Analyze the relationship between using tobacco and using alcohol or other drugs. (HB0 1)
- T1.12.5 Summarize long-term health benefits of abstaining from or discontinuing tobacco use. (HB0 1)
- T1.12.6 Describe the effects of tobacco use on the fetus. (HB0 1 & 2)
- T1.12.7 Summarize why individuals choose to use or not use tobacco. (HB0 1, 2 & 3)
- T1.12.8 Evaluate community laws and policies related to the sale and use of tobacco products. (HB0 1, 3 & 4)
- T1.12.9 Evaluate the financial costs of tobacco use to the individual and society. (HB0 1 & 3)
- T1.12.10 Summarize the effects of secondhand smoke. (HB0 2)
- T1.12.11 Distinguish appropriate ways to support family and friends who are trying to stop using tobacco. (HB0 3 & 4)
- T1.12.12 Analyze how the addiction to tobacco use can be treated. (HB0 4 & 5)
- T1.12.13 Analyze how smoking cessation programs can be successful. (HB0 4 & 5)

- _____
- _____

KNOWLEDGE EXPECTATIONS COVERAGE SCORE: Complete the score based on the criteria listed below.

The curriculum addresses:

- 4 = all of the knowledge expectations.** (100%)
- 3 = most of the knowledge expectations.** (67-99%)
- 2 = some of the knowledge expectations.** (34-66%)
- 1 = a few of the knowledge expectations.** (1-33%)
- 0 = none of the knowledge expectations.** (0)

KNOWLEDGE EXPECTATIONS COVERAGE SCORE

→

TRANSFER THIS SCORE TO THE KNOWLEDGE EXPECTATIONS LINE OF THE OVERALL SUMMARY FORM (CHAP. 3).

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise knowledge expectations to reflect community needs and to meet the curriculum requirements of the school district.

This is the end of Standard 1

Standards 2–8

The Standards 2–8 analysis will result in **two** ratings for each standard. One rating reflects the extent to which the curriculum addresses the skill expectations important to achieve selected tobacco-free Healthy Behavior Outcomes (HBO, page T-1). The second reflects the extent to which the curriculum provides opportunities for students to understand and practice the skills necessary to meet these skill expectations.

The *National Health Education Standards (NHES)* 2–8 describe the key processes and performance indicators that help students promote personal, family and community health. CDC reviewed these and other state-level indicators, analyzed the research on effective programs, and used input from experts in health education to develop a list of relevant general skill expectations for each standard.

Each standard 2–8 lists the tobacco-specific skill expectations for each grade group. The tobacco-specific skill expectations are based on the general skill expectations listed in *Appendix 3: HECAT Skill Expectations for Skill Standards 2–8*. There are some grade groups for which tobacco skill expectations are not applicable. These include the statement “NA - Skill expectations are not identified for this grade group.”

Very few topic-specific curricula address every skill expectation in every grade. Before analyzing the curriculum, determine the most appropriate skill expectations for the grade group(s) under consideration and ensure that the other skill expectations are addressed in other grades or other topics.

Add, delete, or revise skill expectations to reflect community needs and meet the curriculum requirements of the school district. Refer to the general skill expectations listed in *Appendix 3* for guidance when considering additions, deletions or revisions. Also, review skill expectations in other health topic modules for skill expectations that could be edited and added to the skill expectations for this topic.

The skill expectations are numbered sequentially for the ease of identification and discussion. Before each skill expectation, the number

represents topic abbreviation, *NHES* standard number, grade group (last grade in that group), and skill expectation item number. For example, T3.5.1 would represent Tobacco, standard 3, grade group 3-5, skill expectation item 1.

Directions for Standards 2–8

- Review the topic-specific skill expectations for each standard.
- Decide if any skill expectations need to be added or modified to meet the needs of the community or to conform to the curriculum requirements of the state or school district. Look in other related topic modules for ones that might be edited and added to the list of skill expectations for this topic.
- Read the curriculum to become familiar with the content, the focus on skill practice, and the methods used to convey skill practice.
- Place a check in the box next to each skill expectation that is addressed by the curriculum and determine the *Skill Expectations Coverage Score*.
Important — a skill expectation is “addressed” if there is sufficient information provided in the curriculum for students to be able to demonstrate competency in this skill expectation. Some skill expectations might require more evidence than others.
- Complete the *Student Skill Practice Score* by checking the criteria box for each statement that applies to the curriculum. Add the total number of checks for an overall score.
- Transfer the *Skill Expectations Coverage Score* and the *Student Skill Practice Score* to the appropriate lines on the *Overall Summary Form* (Chapter 3).
- Record notes to justify scores and to inform group discussions and curriculum decisions.
- Complete a separate *Overall Summary Form* for each curriculum and grade group.

Standard 2 Students will analyze the influence of family, peers, culture, media, technology and other factors on health behaviors.

After implementing this curriculum, students will be able to analyze the influence of family, peers, culture, media, technology, and other factors on tobacco-related behaviors.

Grades Pre-K–2 Student Skill Expectations: No tobacco-related skill expectations are identified for this standard at this grade group. Check the box next to any added tobacco-related skill expectation added and addressed in the curriculum.

By grade 2, students will be able to:

NA Skill expectations are not identified for this grade group.

Additional Skill Expectations

SKILL EXPECTATIONS COVERAGE SCORE: Complete the score based on the criteria listed below.

The curriculum addresses:

4 = all of the skill expectations. (100%)

3 = most of the skill expectations. (67-99%)

2 = some of the skill expectations. (34-66%)

1 = a few of the skill expectations. (1-33%)

0 = none of the skill expectations. (0)

NA = not applicable: no skill expectations were listed or analyzed.

SKILL EXPECTATIONS COVERAGE SCORE

→

TRANSFER THIS SCORE TO STANDARD 2: ANALYZING INFLUENCES (SKILL EXPECTATIONS COVERAGE) LINE OF THE OVERALL SUMMARY FORM (CHAP. 3).

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise skill expectations (consistent with the general skill expectations in Appendix 3) to reflect community needs and to meet the curriculum requirements of the school district

Standard 2 Students will analyze the influence of family, peers, culture, media, technology and other factors on health behaviors.

After implementing this curriculum, students will be able to analyze the influence of family, peers, culture, media, technology, and other factors on tobacco-related behaviors.

Grades Pre-K–2 Student Skill Practice: Complete the skill practice score by checking the box for each criterion that applies to the curriculum under review and summing the checks.

Check the box if,	Criteria met
1. The curriculum provides information to help students understand the relevance of applying the health skill expectations in their daily lives.	<input type="checkbox"/>
2. The curriculum provides <u>at least one</u> opportunity or activity for students to practice the skills needed to meet this standard . (Students are given at least one opportunity to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
3. The curriculum provides <u>two or more</u> opportunities or activities for students to practice the skills needed to meet this standard . (Students are given two or more opportunities to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
4. The curriculum provides opportunities for students to assess their own skill progress, such as personal check lists.	<input type="checkbox"/>
Student Skill Practice Score (total number of checks) →	<input style="width: 50px; height: 50px;" type="text"/>

SCORE "NA" IF NO SKILL EXPECTATIONS WERE ANALYZED FOR THIS STANDARD. TRANSFER THIS SCORE TO STANDARD 2: ANALYZING INFLUENCES (STUDENT SKILL PRACTICE) LINE OF THE OVERALL SUMMARY FORM (CHAP. 3).

Notes:

Standard 2 Students will analyze the influence of family, peers, culture, media, technology and other factors on health behaviors.

After implementing this curriculum, students will be able to analyze the influence of family, peers, culture, media, technology, and other factors on tobacco-related behaviors.

Grades 3–5 Student Skill Expectations: Check the box next to each tobacco-related skill expectation addressed in the curriculum.

By grade 5, students will be able to:

- T2.5.1 Identify relevant influences of culture on tobacco-related practices and behaviors.
- T2.5.2 Identify relevant influences of peers on tobacco-related practices and behaviors.
- T2.5.3 Identify relevant influences of community on tobacco-related practices and behaviors.
- T2.5.4 Describe how relevant influences of family and culture affect tobacco-related practices and behaviors.
- T2.5.5 Describe how relevant influences of school and community affect tobacco-related practices and behaviors.
- T2.5.6 Describe how relevant influences of media (e.g., tobacco advertising) and technology affect tobacco-use practices and behaviors.
- T2.5.7 Describe how relevant influences of peers affect tobacco-related practices and behaviors.

Additional Skill Expectations

- 2 = some of the skill expectations.** (34-66%)
- 1 = a few of the skill expectations.** (1-33%)
- 0 = none of the skill expectations.** (0)

SKILL EXPECTATIONS COVERAGE SCORE

→

TRANSFER THIS SCORE TO STANDARD 3: ACCESSING VALID INFORMATION (SKILL EXPECTATIONS COVERAGE) LINE OF THE OVERALL SUMMARY FORM (CHAP. 3).

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise skill expectations (consistent with the general skill expectations in Appendix 3) to reflect community needs and to meet the curriculum requirements of the school district.

The use of "valid," in the context of these skill expectations does not imply statistical rigor. Valid means accurate, legitimate, authoritative, and authentic health information, health products, and health services.

Standard **3** Students will demonstrate the ability to access valid information and products and services to enhance health.

After implementing this curriculum, students will be able to demonstrate the ability to access valid information, products, and services to establish and maintain a tobacco-free lifestyle.

Grades Pre-K–2 Student Skill Practice: Complete the skill practice score by checking the box for each criterion that applies to the curriculum under review and summing the checks.

Check the box if, Criteria met

- 1 = a few of the skill expectations.** (1-33%)
- 0 = none of the skill expectations.** (0)

SKILL EXPECTATIONS COVERAGE SCORE

→

**TRANSFER THIS SCORE TO STANDARD 5: DECISION MAKING
(SKILL EXPECTATIONS COVERAGE) LINE OF THE OVERALL
SUMMARY FORM (CHAP. 3).**

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise skill expectations (consistent with the general skill expectations in Appendix 3) to reflect community needs and to meet the curriculum requirements of the school district.

Standard 5 Students will demonstrate the ability to use decision-making skills to enhance health.

After implementing this curriculum, students will be able to demonstrate the ability to use decision-making skills to avoid or quit tobacco use.

Grades 6–8 Student Skill Practice: Complete the skill practice score by checking the box for each criterion that applies to the curriculum under review and summing the checks.

Check the box if,	Criteria met
1. The curriculum provides information to help students understand the relevance of applying the health skill expectations in their daily lives.	<input type="checkbox"/>
2. The curriculum provides <u>at least one</u> opportunity or activity for students to practice the skills needed to meet this standard . (Students are given at least one opportunity to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
3. The curriculum provides <u>two or more</u> opportunities or activities for students to practice the skills needed to meet this standard . (Students are given two or more opportunities to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
4. The curriculum provides opportunities for students to assess their own skill progress, such as personal check lists.	<input type="checkbox"/>
Student Skill Practice Score (total number of checks)	<input style="width: 50px; height: 50px;" type="text"/>

TRANSFER THIS SCORE TO STANDARD 5: DECISION MAKING (STUDENT SKILL PRACTICE) LINE OF THE OVERALL SUMMARY FORM (CHAP. 3).

Notes:

Standard **5** Students will demonstrate the ability to use decision-making skills to enhance health.

After implementing this curriculum, students will be able to demonstrate the ability to use decision-making skills to avoid or quit tobacco use.

Grades 9–12 Student Skill Expectations: Check the box next to each tobacco-related skill expectation addressed in the curriculum.

By grade 12, students will be able to:

- T5.12.1 Examine barriers to making a decision related to being tobacco-free.
- T5.12.2 Determine the value of applying thoughtful decision making related to tobacco use.
- T5.12.3 Justify when individual or collaborative decision making related to tobacco use is appropriate.
- T5.12.4 Analyze how family, culture, media, peers, and personal beliefs affect a decision related to tobacco use.
- T5.12.5 Generate alternatives when making a decision related to tobacco use.
- T5.12.6 Predict the potential short-term and long-term consequences of alternatives to a decision related to tobacco use.
- T5.12.7 Choose a healthy alternative when making a decision related to tobacco use.
- T5.12.8 Evaluate the effectiveness of decisions related to tobacco use.

(Students are given at least one opportunity to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
3. The curriculum provides <u>two or more</u> opportunities or activities for students to practice the skills needed to meet this standard . (Students are given two or more opportunities to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
4. The curriculum provides opportunities for students to assess their own skill progress, such as personal check lists.	<input type="checkbox"/>
Student Skill Practice Score (total number of checks) →	<input style="width: 50px; height: 50px;" type="text"/>

**TRANSFER THIS SCORE TO STANDARD 8:
ADVOCACY (STUDENT SKILL PRACTICE) LINE OF
THE OVERALL SUMMARY FORM (CHAP. 3).**

Notes:

Standard 8 Students will demonstrate the ability to advocate for personal, family, and community health.

After implementing this curriculum, students will be able to demonstrate the ability to influence and support others to make positive choices related to tobacco use.

Grades 3–5 Student Skill Expectations: Check the box next to each tobacco-related skill expectation addressed in the curriculum.

By grade 5, students will be able to:

- T8.5.1 Give factual information about the benefits of being tobacco-free to improve the health of others.
- T8.5.2 State personal beliefs about the dangers of behaviors related to tobacco use to improve the health of others.
- T8.5.3 Demonstrate how to persuade others to be tobacco-free.

Additional Skill Expectations

- _____
- _____

SKILL EXPECTATIONS COVERAGE SCORE: Complete the score based on the criteria listed below.

The curriculum addresses:

- 4 = all of the skill expectations. (100%)**
- 3 = most of the skill expectations. (67-99%)**
- 2 = some of the skill expectations. (34-66%)**
- 1 = a few of the skill expectations. (1-33%)**
- 0 = none of the skill expectations. (0)**

SKILL EXPECTATIONS COVERAGE SCORE

TRANSFER THIS SCORE TO STANDARD 8: ADVOCACY (SKILL EXPECTATIONS COVERAGE) LINE OF THE OVERALL SUMMARY FORM (CHAP. 3).

Notes:

Reminder: The HECAT is designed to guide the analysis of curricula for local use. Users are encouraged to add, delete, or revise skill expectations (consistent with the general skill expectations in Appendix 3) to reflect community needs and to meet the curriculum requirements of the school district.

Standard **8** Students will demonstrate the ability to advocate for personal, family, and community health.

After implementing this curriculum, students will be able to demonstrate the ability to influence and support others to make positive choices related to tobacco use.

Grades 3–5 Student Skill Practice: Complete the skill practice score by checking the box for each criterion that applies to the curriculum under review and summing the checks.

Check the box if,	Criteria met
1. The curriculum provides information to help students understand the relevance of applying the health skill expectations in their daily lives.	<input type="checkbox"/>
2. The curriculum provides <u>at least one</u> opportunity or activity for students to practice the skills needed to meet this standard . (Students are given at least one opportunity to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
3. The curriculum provides <u>two or more</u> opportunities or activities for students to practice the skills needed to meet this standard . (Students are given two or more opportunities to be taught the skill, practice or rehearse the skill, and get feedback about their skill performance.)	<input type="checkbox"/>
4. The curriculum provides opportunities for students to assess their own skill progress, such as personal check lists.	<input type="checkbox"/>
