

## Acknowledgements

This document was prepared by the Centers for Disease Control and Prevention (CDC), National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention (NCHHSTP), Division of Adolescent and School Health (DASH) with conceptual, technical, and editorial assistance from others across CDC and experts in field of school health education and health behavior. An extensive list of those who reviewed and provided advice and comment in the process of developing and updating the HECAT are listed in *Appendix 1*. CDC acknowledges Dr. Susan Russell (Consultant and Contractor for Columbus Technologies & Services, Inc.) and Dr. Susan Telljohann (University of Toledo, Ohio and Contractor for Oak Ridge Institute for Science and Education) for their significant contribution to the development of the HECAT and 2012 updates.

The HECAT was based on guidance received in 2001, from the following panel of experts:

Angeli Achrekar, MPH  
CDC, National Center for Chronic Disease  
and Prevention (NCCDPHP), DASH

Lisa Barrios, DrPH  
CDC, NCCDPHP, DASH

Jeanette Beltran  
National Latina Health Network  
Washington, DC

Tami Benham Deal, PED  
University of Wyoming

Charlene Burgeson, MA  
National Association for Sport and Physical  
Education, Washington, DC

Debra Christopher  
Rocky Mountain Center  
Boulder, CO

Nancy Emberley, MAT  
Vermont Department of Education  
Burlington, VT

Joyce Fetro, PhD  
Southern Illinois University

Jayne Greenberg, EdD  
Miami-Dade County Public Schools,  
Miami, FL

Brenda Z. Greene, MFA  
National School Boards Association  
Washington, DC

Nancy Hudson, RN, MS  
Council of Chief State School Officers  
Washington, DC

Juliet Kandel  
Committee for Children  
Seattle, WA

Pete Hunt, MPH, MEd  
CDC, NCCDPHP, DASH

Sherry Lehman, MEd, LPC  
North Carolina Department of Public Instruction  
Raleigh, NC

David Lohrmann, PhD  
Indiana University

Beth Pateman, HSD  
University of Hawaii at Manoa

Michael A. Penrod  
School Board of Broward County  
Fort Lauderdale, FL

Sara Peterson, MA, RN  
Iowa Department of Education  
Des Moines, IA

Becky J. Smith, PhD  
American Association for Health Education  
Washington, DC

Julie Taylor  
ETR Associates,  
Scotts Valley, CA

Susan K. Telljohann, HSD  
University of Toledo  
Toledo, OH

Howell Wechsler, EdD, MPH  
CDC, NCCDPHP, DASH

Susan Wooley, PhD  
American School Health Association  
Kent, OH

# 2012 HECAT: Table of Contents

<b>Acknowledgements</b> .....	<b>i</b>
<b>Overview of the Health Education Curriculum Analysis Tool (HECAT)</b> .....	<b>1</b>
Introduction to the HECAT .....	1
Intended Users of the HECAT .....	1
Organization of the HECAT .....	2
Rationale for the HECAT Development .....	3
Describing a Health Education Curriculum .....	4
Characteristics of an Effective Health Education Curricula .....	4
Setting Direction for Health Education: Standards and Performance Indicators .....	7
Health Education Curricula and Assessment of Student Performance .....	9
Community Review of Health Education Curricula .....	9
Health Education as Part of a Coordinated Approach to School Health .....	10
School Health Education as Part of Community Health Promotion .....	10
References .....	11
<b>Chapter 1: General Instructions</b> .....	<b>1-1</b>
Before Starting the Curriculum Analysis Process .....	1-2
After Completing the Curriculum Analyses .....	1-7
<b>Chapter 2: General Curriculum Information</b> .....	<b>2-1</b>
<b>Chapter 3: Overall Summary Forms</b> .....	<b>3-1</b>
<b>Chapter 4: Preliminary Curriculum Considerations</b> .....	<b>4-1</b>
Accuracy Analysis .....	4-2
Acceptability Analysis .....	4-5
Feasibility Analysis .....	4-9
Affordability Analysis .....	4-10
<b>Chapter 5: Curriculum Fundamentals</b> .....	<b>5-1</b>
Curriculum Design .....	5-2
Learning Objectives .....	5-3
Teacher Guidance and Preparation .....	5-4
Instructional Strategies and Materials .....	5-5
Health Teaching Skills .....	5-6
Student Assessment .....	5-7
Promoting Healthy Norms .....	5-8
Continuity and Uniformity of a CHE Curriculum .....	5-9
<b>Chapter 6: Curriculum Analysis Modules</b> .....	<b>6-1</b>
Module AOD: Alcohol and Other Drugs .....	AOD-1
Module HE: Healthy Eating .....	HE-1
Module MEH: Mental and Emotional Health .....	MEH-1
Module PHW: Personal Health and Wellness .....	PHW-1
Module PA: Physical Activity .....	PA-1
Module S: Safety .....	S-1
Module SH: Sexual Health .....	SH-1

Module T: Tobacco..... T-1  
 Module V: Violence ..... V-1  
 Module CHE: Comprehensive Health Education ..... CHE-1

**Appendices**

Appendix 1: HECAT Contributors ..... A1-1  
 Appendix 2: Using the HECAT for the Review of Health Education Resources ..... A2-1  
 Appendix 3: HECAT Skill Expectations for Standards 2-8..... A3-1  
 Appendix 4: Using the HECAT to Develop a Scope-and-Sequence  
 for Health Education..... A4-1  
 Appendix 5: Using the HECAT to Analyze Curricula for Early Care and  
 Education Programs..... A5-1  
 Appendix 6: Understanding Health Education Assessment..... A6-1

**Glossary ..... G-1**
