If federal offices are closed by OPM, the meeting is canceled. OPM announcements are carried on most local radio and television news shows. The OPM website (www.opm.gov) also displays the operating status for federal agencies.

If the one hour delay is triggered, please call 202 512-7350 to hear a recorded announcement about the meeting status before leaving for the meeting. If conditions warrant further delays or cancellation, we will rely on the recorded announcement to alert you to such changes.
