The foregoing is a correct statement of the Public Debt as appears from the Books and Treasurer's Returns in the Department at the close of business, March 31, 1877.

## Secretary of the Treasury.

NOTE.—The large reduction of the public debt, as shown by this statement, arises from the cancellation and destruction of the balanc; of the 5 per cent. bonds of the Funded Loan of 1881, held in trust for the payment of the awards made by the "Court of Commissioners of Alabama Claims," as provided by the 15th section of the sot of June 23, 1874, viz: \$7,150,000 balance of the original investment of \$15,500,000, and \$2,403,800 representing accrued interest thereon.
