**Popular Title:** Rail Fuel Surcharges (Safe Harbor)

**RIN 2140-AB17**

**Stage:** Discontinued

**Previous Stage:** ANPRM served 5/29/2014; End of Comment Period 10/15/2014; Proceeding Discontinued 8/29/2019.

**Abstract:** The Board sought and received comments on the Board’s “safe harbor” standard, which allows carriers to rely on a Board-approved fuel index to measure changes in fuel prices for purposes of their fuel surcharge programs. The comment period closed in 2014, and the Board was unable to reach a majority decision on what additional Board action should be taken in response to the comments received. Because of the lack of a majority opinion and in the interest of administrative finality, the Board Members agreed that this docket should be discontinued.
