<sup>1</sup> After programmatic distribution of Equity Bonus, inclusive of State Planning and Research (SPR) funding.

<sup>2</sup> N/A = no changes in designation; each State's adjusted FY 2009 CMAQ share was calculated in isolation (i.e., unadjusted weighted population data was used for other States);

States in gray are below the 1/2% minimum share and, therefore, a portion of their CMAQ funding is flexible.

<sup>3</sup> Flexible share = 1-(initial share/0.005)

<sup>4</sup> Initial flexible CMAQ amount unless superseded by flexible CMAQ amount based on change in nonattainment/maintenance area designation.
