

Desert Tortoise Land Approval

Motion 09-003

On October 22, 2008 the Steering Committee approved by consensus Reclamation securing 230 acres of existing unprotected occupied desert tortoise habitat within the Chuckwalla Bench Area of Critical Environmental Concern (ACEC) for up to a total of \$276,000 (moved by Bill Werner and seconded by Jon Sjoberg). Program Decision Document 09-003 provides supporting documentation.
