

## **Draft Science Strategy**

### **Motion 06-005**

On August 23, 2006, based on the recommendation from the Science Strategy Technical Work Group (PDD-06-004), the Steering Committee acknowledged the Draft Final Science Strategy (August 4, 2006) with the recognition that it is the intent of the Program Manager that the document remain in draft form for one year. Moved by Bill Werner, seconded by Monica Swartz, and adopted by consensus.
