

Protection of Flat-Tailed Horned Lizard – Revised

Motion 11-007

The Steering Committee approves Reclamation securing 230 acres of existing unprotected occupied flat-tailed horned lizard (FTHL) habitat within (1) the Yuha Desert Area of Critical Environmental Concern (ACEC), (2) the East Mesa ACEC, (3) the West Mesa ACEC, or (4) the Salt Creek ACEC for a total of \$276,000. See PDD 10-001 (r). (Moved by Chuck Paradzick, seconded by Michael Remington).
