

**U.S. PASSPORT INFORMATION
U.S. Embassy Guatemala City**

**ADULT PASSPORT RENEWAL
By Mail (Courier companies: Cargo Expreso/Guatex)
(You may still request an appointment to renew your passport at the Embassy in
Guatemala)**

Make sure that you meet the requirements and send **all** the documentation.

You may qualify for a Passport Renewal Process by mail meeting the following criteria:

- Your previous U.S. passport book/card is in your possession.
- You were at least 16 years old when your most recent U.S. passport book/card was issued.
- Your most recent U.S. passport book/card was issued less than 15 years ago.
- Your previous U.S. passport was issued under your current legal name.

NOTE: previous lost/stolen/mutilated passports DO NOT meet criteria for the service. If you do not meet the above criteria, you should follow the regular process as if your case was an adult renewal and schedule an appointment at the U.S. Embassy in Guatemala.

The courier renewal process steps is as follows:

1. Applicants submit documents to any Cargo Expreso or Guatex agency.
2. Applicants purchase the delivery and return shipping labels at the same agency. (Applicant must keep copy of the return pre-paid label to pick up the passport.)
3. Documents are sent to the U. S. Embassy in Guatemala in a sealed envelope provided by the agency.
4. The U.S. Embassy processes the applications upon receipt of the documents. (An incorrect or missing fee payment will result in no processing and return of all documents.)
5. Upon receipt at the Embassy, new passport will be sent back to the agency along with the cancelled previous passport using the pre-paid return labels.

Documents to include:

- DS-82 Passport application form** filled out online and printed (It should have a barcode on the left side). Go to: <https://pptform.state.gov/>

Please be informed that signature in application should be the same as in the previous passport and a SOCIAL SECURITY NUMBER IS REQUIRED in order to process the passport. If you have never had or applied for a social security number, you will be required to include a declaration under penalty of perjury that you were never issued a

social security number (**No Social Security Statement**). This declaration does not need to be notarized. When filling out the form, please include “0”’s if you do not have a Social Security Number.

- Current passport.** If your current passport is unavailable, please read instructions for **lost or stolen passport**. If your current passport was issued more than 15 years ago or when you were younger than 16 years you need to schedule an appointment and proceed as if it was a **first time passport**. If you request the passport card renewal, you must send the current card.
- One (1) color passport photo**, 2" x 2" on white background and not wearing glasses. Check [photo](#) requirements.
- Payment fee** is \$110.00 or the equivalent Q847.00 in quetzales. You may send a US bank cashier’s check or a quetzales cashier’s check for the **EXACT AMOUNT** under the name of “**U.S. Disbursing Officer**”. The check cannot be more than six months older from the date issued. **The US Embassy is not allowed to accept local US dollars cashier’s checks nor cash for this process.** If you request the passport card renewal, please include \$30.00 or Q231.00 additional to the payment check.

Please take note of the following:

- The courier agency personnel will not review your documents to verify if they are correct/complete. They will **ONLY** make sure that you don’t include cash in the envelope.
- The courier agency will accept **ONLY** one application and one payment check per envelope.
- To get a cashier’s check, an active local bank account is required.
- When receiving the envelope at the U.S. Embassy, our staff will review your documents.

If payment check is not correct you will receive an email as notification for you to pick up your envelope at the courier agency with an “Information Request Letter” indicating why the payment check is incorrect, along with all your original documents. Once you correct the payment check, you will have to repeat the process, including paying again for the mailing labels.

If documents are not correct/complete, you will receive an email with an “Information Request Letter” indicating what needs to be provided. If any physical/original document is required, you will need to purchase a new mailing label at the same courier agency to send us the documents. The return pre-paid label will still be valid to use when sending back the new and previous passport after being processed.

- It takes 2 business days for the courier companies to deliver the shipments from/to the embassy. The Embassy will take 10 business days to process and send your new passport to the same courier agency.

Passport applications are sent to the United States for printing, and take approximately **ten business days** to process. Your process will be delayed significantly if you are missing any of the requested documents. Consider at least **3 weeks** to get your new passport using this renewal process.

Please find below the list of courier agencies for each company. (Companies are listed in alphabetical order). Contact them to find specific information about prices and schedules.
