

List of Agencies with Current Waivers under Executive Order 13777

On February 24, 2017, President Trump signed [Executive Order \(EO\) 13777](#), titled “[Enforcing the Regulatory Reform Agenda](#).” EO 13777 establishes the policy of the United States to alleviate unnecessary regulatory burdens placed on the American people; requires each agency head to designate a Regulatory Reform Officer responsible for overseeing the implementation of regulatory reform initiatives and policies; requires each agency to establish a Regulatory Reform Task Force to evaluate existing regulations and make recommendations to the agency head regarding regulations to repeal, replace or modify; and requires each agency listed in 31 U.S.C. § 901(b)(1) to incorporate into its Annual Performance Plan performance indicators to measure progress toward 1) achieving regulatory reform initiatives and policies and 2) identifying regulations to repeal, replace or modify.

Under section 5 of EO 13777, an agency may receive a waiver from some or all of the requirements of EO 13777 if the Director of the Office of Management and Budget (OMB) determines that the agency generally issues very few or no regulations. EO 13777 further states that the OMB Director may revoke a waiver at any time.

Under EO 13777, the OMB Director shall publish a list of agencies with a current waiver at least once every three months. In accordance with this provision, OMB is publishing this list of agencies with a current waiver, in full or in part, from the requirements of EO 13777.¹ OMB plans to update this list periodically.
