MEMORANDUM FOR: Deputy Assistant Directors
Field Office Directors

FROM: John P. Torres *For Jim Hackett*
Acting Director

SUBJECT: Pre-Removal/Release Record Checks and Related Procedures

In order to ensure continued cooperation with other law enforcement agencies in the United States and internationally, it is important to establish and maintain close coordination when removing dangerous or wanted aliens from the United States. This memorandum clarifies the procedures for identifying dangerous and/or wanted aliens and notifying all interested and affected agencies before release or removal.

The following procedures must be satisfied for every alien pending release or removal:
