In September 2011, the Tampa chapter of the Council on American Islamic Relations (CAIR Tampa) met with top officials from the D.C. and Florida offices of the Department of Homeland Security (DHS) to discuss civil rights concerns of the Florida Muslim Community. CAIR-Tampa spoke with representatives from Customs & Border Protection (CBP), Immigration & Customs Enforcement (ICE) and the US Attorney's Office, as well as leaders from various civil rights groups. During the meeting, issues such as civil rights violations that may lead to a deterioration of trust between law enforcement and the communities they serve were discussed. DHS officials reaffirmed their commitment to investigate any violations of civil rights and violations of the standards of professional conduct.

In regards to the meeting, I would like to request the following: 1) copies of any reports, memos, e-mails or other internal ICE documents related to the meeting; 2) any documents identifying participants of the meeting and their organizational affiliation and any evaluation forms/reports executed by program participants in agency possession; 3) copies of any attendee evaluation forms/documents that may have been prepared resulting from this session (minus attendee identity information, if deemed necessary); and 4) copies of any audio and/or video presentations/recordings used during the meeting
