SUPPORT AND MEDICAL SERVICES

The provider agrees to accept and provide for the secure custody, care, and safekeeping of detainees in accordance with the State and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility.

The Provider agrees to provide detainees with the same level of medical care and services provided local prisoners including the transportation and security for prisoners requiring removal from the facility for emergency medical services. 3. A minimum of 3 meals in a 24 hour period for each detainee. No fewer than 1,500 calories total per 24 hours and, if detention exceeds four (4) days, no fewer than 2,000 calories per day thereafter. There will also be no more than 14 hours between meals.
4. Appropriate 24 hour emergency medical care, and emergency evacuation procedures.

Such notice will be provided 30 days in advance of the effective date of a formal termination and at least two weeks in advance of suspension or restriction of use unless an emergency situation requires the immediate relocation of aliens.

The Provider may initiate a request for a rate increase or decrease by notifying the local office of this Service in writing at least 60 days prior to the desired effective date of the adjustment.
