1. Any records that concern the number of individuals arrested by your agency that your agency considers illegally in the United States at the time of the arrest. Additionally, as much detail as possible about these records such as the geographical breakdown of the arrests, the time periods of the arrests, the charges the individuals were arrested under and any other information you may have concerning these arrests.
2. Any records that concern the number of individuals arrested by local or state law enforcement and then turned over to your agency due to their status as undocumented aliens at the time of their arrest. As much detail as possible about these records such as the geographical breakdown of the arrests, the time periods of the arrests, the charges the individuals were arrested under, the state or local law enforcement agencies making the initial arrest and any other information you may have concerning these arrests.
3. Any records that concern the number of individuals detained and then turned over to the agency due to their status as undocumented aliens but not actually arrested by local or state law enforcement. I again seek as much detail as possible about these records such as the geographical breakdown of the arrests, the time periods of the arrests, the charges the individuals were arrested under, the state and local law enforcement agencies turning over the individuals, and any other information ICE may have concerning these arrests.
4. Any information you maintain on the previous three categories for all federal law enforcement, not just your own specific agency.
