### **G.3 Contracting Officer's Authority**

The Contracting Officer (CO) assigned to this contract has responsibility for ensuring the performance of all necessary actions for effective contracting; ensuring compliance with the terms of the contract and safeguarding the interests of the United States in its contractual relationships. The CO is the only individual who has the authority to enter into, administer, or terminate this contract and is the only person authorized to approve changes to any of the requirements under this contract, and notwithstanding any provision contained elsewhere in this contract, this authority remains solely with the CO.

It is the Contractor's responsibility to contact the CO immediately if there is even the appearance of any technical direction that is or may be outside the scope of the contract. The Government will not reimburse the Contractor for any work not authorized by the CO, including work outside the scope of the contract.

### **G.4 Contracting Officer's Technical Representative (HSAR 3052.242-72)**

**(DEC 2003)**

(a) The Contracting Officer may designate Government personnel to act as the Contracting Officer's Technical Representative (COTR) to perform functions under the contract such as review or inspection and acceptance of supplies, services, including construction, and other functions of a technical nature. The Contracting Officer will provide a written notice of such designation to the Contractor within five working days after contract award or for construction, not less than five working days prior to giving the contractor the notice to proceed. The designation letter will set forth the authorities and limitations of the COTR under the contract.

(b) The Contracting Officer cannot authorize the COTR or any other representative to sign documents, such as contracts, contract modifications, etc., that require the signature of the Contracting Officer.

### **G.5 Technical Direction**

(a) Technical Direction is defined to include:

- (1) Written directions to the Contractor which fill in details, suggest possible lines of inquiry, or otherwise facilitate completion of work within the existing scope of work as defined in the Statement of Work;

Advanced Technology Demonstration (ATD)  
for  
Intelligent Radiation Sensor Systems (IRSS)

- (2) Provision of written information to the Contractor which assists in the interpretation of drawings, specifications, or technical portions of the work statement;
- (3) Review and, where required, provide written approval of technical reports, drawings, specifications, or technical information to be delivered. Technical directions must be in writing, and must be within the scope of the work as detailed in Section C.

(b)The COTR is authorized by designation to take any or all action with respect to the following which could lawfully be taken by the Contracting Officer, except any action specifically prohibited by the terms of this Contract:

- (1) Assure that the Contractor performs the technical requirements of the contract in accordance with the contract terms, conditions, and specifications.
- (2) Perform or cause to be performed, inspections necessary in connection with (1) above and require the Contractor to correct all deficiencies; perform acceptance for the Government.
- (3) Maintain all liaison and direct communications with the Contractor. Written communications with the Contractor and documents shall be signed as "Contracting Officer's Technical Representative" with a copy furnished to the Contracting Officer.
- (4) Issue written interpretations of technical requirements of Government drawings, designs, and specifications.
- (5) Monitor the Contractor's production or performance progress and notify the Contractor in writing of deficiencies observed during surveillance, and direct appropriate action to effect correction. Record and report to the Contracting Officer incidents of faulty or nonconforming work, delays or problems.
- (6) Obtain necessary security clearance and appropriate identification if access to Government facilities is required. If to be provided, ensure that Government furnished property is available when required.

**LIMITATIONS:** The COTR is not empowered to award, agree to, or sign any contract (including delivery or purchase orders) or modifications thereto, or in any way to obligate the payment of money by the Government. The COTR may not take any action which may impact on the contract schedule, funds, scope or rate of utilization of LOE. All contractual agreements, commitments, or modifications

Advanced Technology Demonstration (ATD)  
for  
Intelligent Radiation Sensor Systems (IRSS)  
which involve prices, quantities, quality, and schedules shall be made  
only by the Contracting Officer.

- (a) The COTR is required to meet annually with the Contractor and the Contracting Officer concerning performance of items delivered under this contract and any other administration or technical issues. Telephonic reports may be made if no problems are being experienced. Problem areas should be brought to the immediate attention of the Contracting Officer.
- (b) In the absence of the designated COTR, the COTR may designate someone to serve as COTR in their place. However, such action to direct an individual to act in the COTR's stead shall immediately be communicated to the Contractor and the Contracting Officer.
- (c) Contractual Problems - Contractual problems, of any nature, that may arise during the life of the contract must be handled in conformance with specific public laws and regulations (i.e. Federal Acquisition Regulation). The Contractor and the COTR shall bring all contracting problems to the immediate attention of the Contracting Officer. Only the Contracting Officer is authorized to formally resolve such problems. The Contracting Officer will be responsible for resolving legal issues, determining contract scope and interpreting contract terms and conditions. The Contracting Officer is the sole authority authorized to approve changes in any of the requirements under this contract. Notwithstanding any clause contained elsewhere in this contract, the said authority remains solely with the Contracting Officer. These changes include, but will not be limited to the following areas: scope of work, price, quantity, technical specifications, delivery schedules, and contract terms and conditions. In the event the Contractor effects any changes at the direction of any other person other than the Contracting Officer, the change will be considered to have been made without authority.
- (d) Failure by the Contractor to report to the Contracting Officer conduct that the Contractor considers to constitute a change to this contract, as provided by FAR 52.243-7 (Notification of Changes), waives the Contractor's right to any claims for equitable adjustments.

**G.6 Interpretation or Modification**

No oral statement by any person, and no written statement by anyone other than the Contracting Officer (CO), or his/her authorized representative acting within the scope of his/her authority, shall be interpreted as modifying or otherwise affecting the terms of this contract. All requests for interpretation or modification shall be made in writing to the CO.

**G.7 Accounting and Appropriation Data**

The accounting and appropriation data corresponding to this contract is found in Section B, Pricing Schedule.

**G.8 Invoicing Instructions**

In order to initiate payment, the Contractor shall submit proper invoices for payment in the manner and format described herein:

- (a) The Contractor shall submit an original invoice or send via facsimile or email to the following address:

**END OF SECTION G**

## SECTION H - SPECIAL CONTRACT REQUIREMENTS

### H.1 Confidentiality of Information

- (a) To the extent that the work under this contract requires that the Contractor be given access to or be furnished with confidential or proprietary business, technical, or financial information or data belonging to other entities which is clearly marked as confidential or proprietary, the Contractor shall, after receipt thereof, treat such information in confidence and agrees not to appropriate such information to its own use or to disclose such information to third parties unless specifically authorized in writing by the Contracting Officer. The foregoing obligations, however, shall not apply to and the Contractor shall have no obligation under this Agreement to hold information in confidence which, although identified and disclosed as stated herein, has been or is developed by the Contractor independently and without benefit of information disclosed hereunder; and:
- (1) Information or data which is in the public domain at the time of receipt by the Contractor;
  - (2) Information or data which is published or otherwise subsequently becomes part of the public domain through no fault of the Contractor;
  - (3) Information or data which the Contractor can demonstrate was already in its possession at the time of receipt thereof; or
  - (4) Information or data which the Contractor can demonstrate was received by it from a third party who did not require the Contractor to treat it in confidence.
- (b) The Contractor agrees (1) to enter into an agreement, identical in all material respects to the requirements of paragraph (a) above, with each entity requesting such agreement and that is supplying such confidential or proprietary information or data to the Contractor under this contract and (2) to supply a copy of such agreement to the Contracting Officer, upon written request.
- (c) This clause shall be included in any subcontract under which there is a requirement or there becomes a requirement that the subcontractor be given access to or be furnished with confidential or proprietary business, technical, or financial information or data.

## **H.2 Access Restriction/Information Handling**

The Contractor shall restrict access to those individuals with a valid need-to-know who are actually providing services under this contract. Further dissemination to other contractors, subcontractors, or other government agencies and private individuals or organizations is prohibited unless authorized in writing by the Contracting Officer's Technical Representative (COTR).

## **H.3 Advertisements, Publicizing Awards, and News Releases**

All press releases or announcements about agency programs, projects, and contract awards need to be cleared by the Program Office and the Contracting Officer. Under no circumstances shall the Contractor, or anyone acting on behalf of the Contractor, refer to the supplies, services, or equipment furnished pursuant to the provisions of this contract in any publicity news release or commercial advertising without first obtaining explicit written consent to do so from the Program Office and the Contracting Officer.

The Contractor agrees not to refer to awards in commercial advertising in such a manner as to state or imply that the product or service provided is endorsed or preferred by the Federal Government or is considered by the Government to be superior to other products or services.

## **H.4 Travel Cost**

- (a) Except as otherwise provided herein, the Contractor shall be reimbursed for its reasonable actual travel costs in accordance with FAR clause 31.205-46.
- (b) The Contractor is to use the current Federal Travel Regulations for all rates and definitions for travel, lodging and incidental expense and apply them consistently.
- (c) Reimbursable travel costs are any costs associated with travel required to perform the contract, and approved by the Contracting Officer Technical Representative and/or the Contracting Officer.

## **I.2 Prohibitions on Contracts with Corporate Expatriates (HSAR 3052.209-70)(Jun 2006)**

### Prohibitions.

Section 835 of Public Law 107-296, prohibits the Department of Homeland Security from entering into any contract with a foreign incorporated entity after November 25, 2002, which is treated as an inverted domestic corporation as defined in this clause. The Secretary shall waive the prohibition with respect to any specific contract if the Secretary determines that the waiver is required in the interest of homeland security, or to prevent the loss of any jobs in the United States or prevent the Government from incurring any additional costs that otherwise would not occur.

### Definitions. As used in this clause:

“Expanded Affiliated Group” means an affiliated group as defined in section 1504(a) of the Internal Revenue Code of 1986 (without regard to section 1504(b) of such Code), except that section 1504 of such Code shall be applied by substituting ‘more than 50 percent’ for ‘at least 80 percent’ each place it appears. “Foreign Incorporated Entity” means any entity which is, or but for subsection (b) of Section 835 of the Homeland Security Act, Public Law 107-296, would be, treated as a foreign corporation for purposes of the Internal Revenue Code of 1986.

“Inverted Domestic Corporation.” A foreign incorporated entity shall be treated as an inverted domestic corporation if, pursuant to a plan (or a series of related transactions)—The entity completes after November 25, 2002, the direct or indirect acquisition of substantially all of the properties held directly or indirectly by a domestic corporation or substantially all of the properties constituting a trade or business of a domestic partnership; After the acquisition at least 80 percent of the stock (by vote or value) of the entity is held—In the case of an acquisition with respect to a domestic corporation, by former shareholders of the domestic corporation by reason of holding stock in the domestic corporation; or In the case of an acquisition with respect to a domestic partnership, by former partners of the domestic partnership by reason of holding a capital or profits interest in the domestic partnership; and The expanded affiliated group which after the acquisition includes the entity does not have substantial business activities in the foreign country in which or under the law of which the entity is created or organized when compared to the total business activities of such expanded affiliated group. “Person”, “domestic”, and “foreign” have the meanings given such terms by paragraphs (1), (4), and (5) of section 7701(a) of the Internal Revenue Code of 1986, respectively.

### Special rules.

Advanced Technology Demonstration (ATD)  
for  
Intelligent Radiation Sensor Systems (IRSS)

The following definitions and special rules shall apply when determining whether a foreign incorporated entity should be treated as an inverted domestic corporation.

**Certain Stock Disregarded.** For the purpose of treating a foreign incorporated entity as an inverted domestic corporation these shall not be taken into account in determining ownership: stock held by members of the expanded affiliated group which includes the foreign incorporated entity; or stock of such entity which is sold in a public offering related to the acquisition described in subsection (b)(1) of Section 835 of the Homeland Security Act, Public Law 107-296.

**Plan Deemed In Certain Cases.** If a foreign incorporated entity acquires directly or indirectly substantially all of the properties of a domestic corporation or partnership during the 4-year period beginning on the date which is after the date of enactment of this Act and which is 2 years before the ownership requirements of subsection (b)(2) are met, such actions shall be treated as pursuant to a plan.

**Certain Transfers Disregarded.** The transfer of properties or liabilities (including by contribution or distribution) shall be disregarded if such transfers are part of a plan a principal purpose of which is to avoid the purposes of this section.

*Special Rule for Related Partnerships.*

For purposes of applying Section 835(b) of Public Law 107-296 to the acquisition of a domestic partnership, except as provided in regulations, all domestic partnerships which are under common control (within the meaning of section 482 of the Internal Revenue Code of 1986) shall be treated as a partnership.

*Treatment of Certain Rights.*

Certain rights shall be treated as stocks to the extent necessary to reflect the present value of all equitable interests incident to the transaction, as follows: warrants; options; contracts to acquire stock; convertible debt instruments; and others similar interests.

Rights labeled as stocks shall not be treated as stocks whenever it is deemed appropriate to do so to reflect the present value of the transaction or to disregard transactions whose recognition would defeat the purpose of Section 835.

*Disclosure.*

By signing and submitting its offer, an Offeror under this solicitation represents that it not a foreign incorporated entity that should be treated as an inverted domestic corporation pursuant to the criteria of Section 835 of the Homeland Security Act, Public Law 107-296 of November 25, 2002. If a waiver has been granted, a copy of the approved waiver shall be attached to the bid or proposal.
