Coronavirus Disease 2019 (COVID-19)

PSA #1: <u>Travel during the COVID-19 Pandemic</u> (45 seconds)

This is a message from the Centers for Disease Control and Prevention. Travel increases your chance of getting and spreading COVID-19. Take steps to protect yourself and others:

- Don't travel while sick;

- Avoid contact with anyone who is sick;

- Wear a mask to keep your nose and mouth covered when in public;

- Avoid close contact by staying at least 6 feet, or about 2 arms' length, from anyone who is not from your household;

- Wash your hands often or use hand sanitizer with at least 60% alcohol;

- Avoid touching your eyes, nose, and mouth; and

- Watch your health during and after travel
