Amendment to
Order Authorizing Electricity Exports to Canada

Order No. EA-210-D

October 16, 2015

Talen Energy Marketing, LLC

Order No. EA-210-D Authorizing Electricity Exports to Canada

I. BACKGROUND

The Department of Energy (the Department or DOE) regulates electricity exports from the United States to foreign countries in accordance with the Federal Power Act (FPA) § 202(e) (16 U.S.C. § 824a(e)) and regulations thereunder (10 C.F.R. §§ 205.300 *et seq.*). This authority was transferred to DOE under §§ 301(b) and 402(f) of the DOE Organization Act (42 U.S.C. §§ 7151(b), 7172(f)).

A. Procedural History

On August 15, 2012, DOE issued Order No. EA-210-C to PPL EnergyPlus, LLC authorizing electricity exports to Canada for a five-year period, effective on August 18, 2012. That Order will expire on August 18, 2017.

On June 4, 2015, DOE was notified that, effective June 2, 2015, PPL EnergyPlus, LLC, had changed its name to Talen Energy Marketing, LLC and requested that it be authorized to export under its new name. In support of this name change, Talen Energy Marketing, LLC provided a certified Amendment to the Certificate of Limited Liability issued by the State of Pennsylvania.

II. FINDINGS AND DECISION

DOE finds that the action requested by the renamed Talen Energy Marketing, LLC would have no effect on DOE's sufficiency of supply and electric reliability determinations contained in Docket No. EA-210.

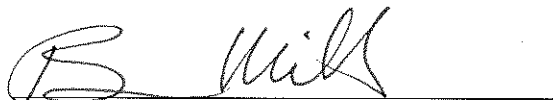

Similarly, DOE finds that it has adequately satisfied its responsibility under the National Environment Policy Act of 1969 through the documentation of a categorical exclusion in Docket No. EA-210.

ORDER

Accordingly, pursuant to FPA § 202(e) and the Rules and Regulations issued thereunder (10 C.F.R. §§ 205.300-309), the electricity export authorization issued to PPL EnergyPlus, LLC on August 15, 2012, in Order EA-210-C, is hereby amended by changing the name of the authorized exporter to Talen Energy Marketing, LLC.

All other terms and conditions of Order No. EA-210 remain unchanged.

Issued in Washington, D.C., on October 16, 2015.
