

# Steps to Protect Automotive Service Workers from Exposure to Coronavirus

The following steps can help reduce the risk of exposure to the coronavirus for automotive service workers:

- Encourage workers to stay home if they are sick.
- Provide gloves and masks or other face coverings.
- Maintain at least six feet between co-workers and customers, where possible.
- Offer pick-up and drop-off service.
- Close or limit customers in reception areas and waiting rooms.
- Use "no-touch" options for payments and appointments.
- Regularly clean and disinfect all tools and equipment.

- Discourage the sharing of tools and equipment.
- Cover seats and sanitize key fobs and steering wheels before and after service.
- Encourage workers to report any safety and health concerns.
