

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

March 17, 2020

The Honorable Nancy Pelosi
Speaker of the House of Representatives
U.S. House of Representatives
Washington, DC 20515

Dear Madam Speaker:

Section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985 requires that the Office of Management and Budget (OMB) submit a report to the Congress on discretionary appropriations legislation within seven calendar days of enactment (excluding Saturdays, Sundays, and legal holidays). The "Seven-Day-After" report must contain the OMB and Congressional Budget Office estimates of discretionary new budget authority provided by the legislation and an explanation of any differences between the two estimates.

Enclosed is the Seven-Day-After report for the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (Division A of Public Law 116-123). The President signed this Act into law on March 6, 2020. This report does not include any estimates of the budgetary effects for Division B of the Act since it is not counted toward the discretionary spending limits.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Vought".

Russell T. Vought
Acting Director

Enclosure

Identical Letter Sent to The Honorable Michael R. Pence

Notes:

1 Enacted appropriations reflect OMB scoring of emergency supplemental amounts in division A of Public Law 116-123, the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020.

2 The FY 2020 and FY 2021 spending limits for the defense (or "revised security") and non-defense (or "revised nonsecurity") categories are equal to the amounts published in the *OMB Sequestration Preview Report to the President and Congress for Fiscal Year 2021* (see OMB's website: <https://www.whitehouse.gov/omb/legislative/sequestration-reports-orders/>).

3 Appropriations previously enacted for 2020 reflect OMB scoring of the Consolidated Appropriations Act, 2020 (Public Law 116-93), the Further Consolidated Appropriations Act, 2020 (Public Law 116-94), and the USMCA Supplemental Appropriations Act, 2019 in title IX of the United States-Mexico-Canada Agreement Implementation Act (Public Law 116-113). The seven-day-after reports for these Acts are on the OMB website: <https://www.whitehouse.gov/omb/legislative/budget-enforcement-act-7-day-reports/>.

4 Section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) authorizes an adjustment to the caps for appropriations that are designated by the Congress, and subsequently designated by the President, as emergency requirements or for Overseas Contingency Operations/Global War on Terrorism. Division A of Public Law 116-123 includes supplemental funding for these activities with the appropriate designations as emergency requirements and the President transmitted to the Congress on March 6, 2020 his subsequent designations of all of these amounts. These amounts are summarized here and are not included in the totals displayed above that are counted against the caps. The adjustments to the discretionary limits to reflect this spending are not included in this report but will be included in OMB's Sequestration Update Report for 2021.
