Addendum #1

Please note the following clarifications are hereby made to the **aforementioned** RFI.

This addendum is being issued to answer questions that have been submitted as follows:

Questions and Answers

Question 1: Will this be a single or multiple supplier program? **UNT World reserves the right to execute either option dependent on a determination of best value to the institution.**

Question 2: Multiple types of incentives were mentioned in the RFI. What kind of incentives does the UNT System find most favorable for this type of program? **UNT World is looking forward to receiving ideas from our future partner(s) for strategic initiatives.**

Question 3: Multiple types of reporting were also mentioned in the RFI. What kind of reporting is considered the most beneficial for the System? **UNT World is looking forward to receiving ideas from our future partner(s) on their ideas for reporting and the efficiency it could bring to our processes.**

Question 4: What other departments besides the Physical Plant would be involved in the program?

This program will include UNT Facilities World. This is made up of the following groups.

- UNT Facilities (Denton)
- UNT Dallas Facilities
- UNT HSC Facilities
- UNT System Facilities
- UNT Aux. Services Facilities
- UNT Athletics

Question 5: Does each location have a fully supported warehouse to stock MRO products?

UNT & UNT HSC both have fully supported warehouse to stock MRO products. The others do not.

Question 6: Is there any place where I could find the product list for the MRO Supplies Bid? **We are not providing a comprehensive list at this time but intend to provide the data available if we pursue an RFP.**
