

America, this is not a drill: Sounding the Alarm Against White Supremacy

Jalane Schmidt

Associate Professor of Religious Studies

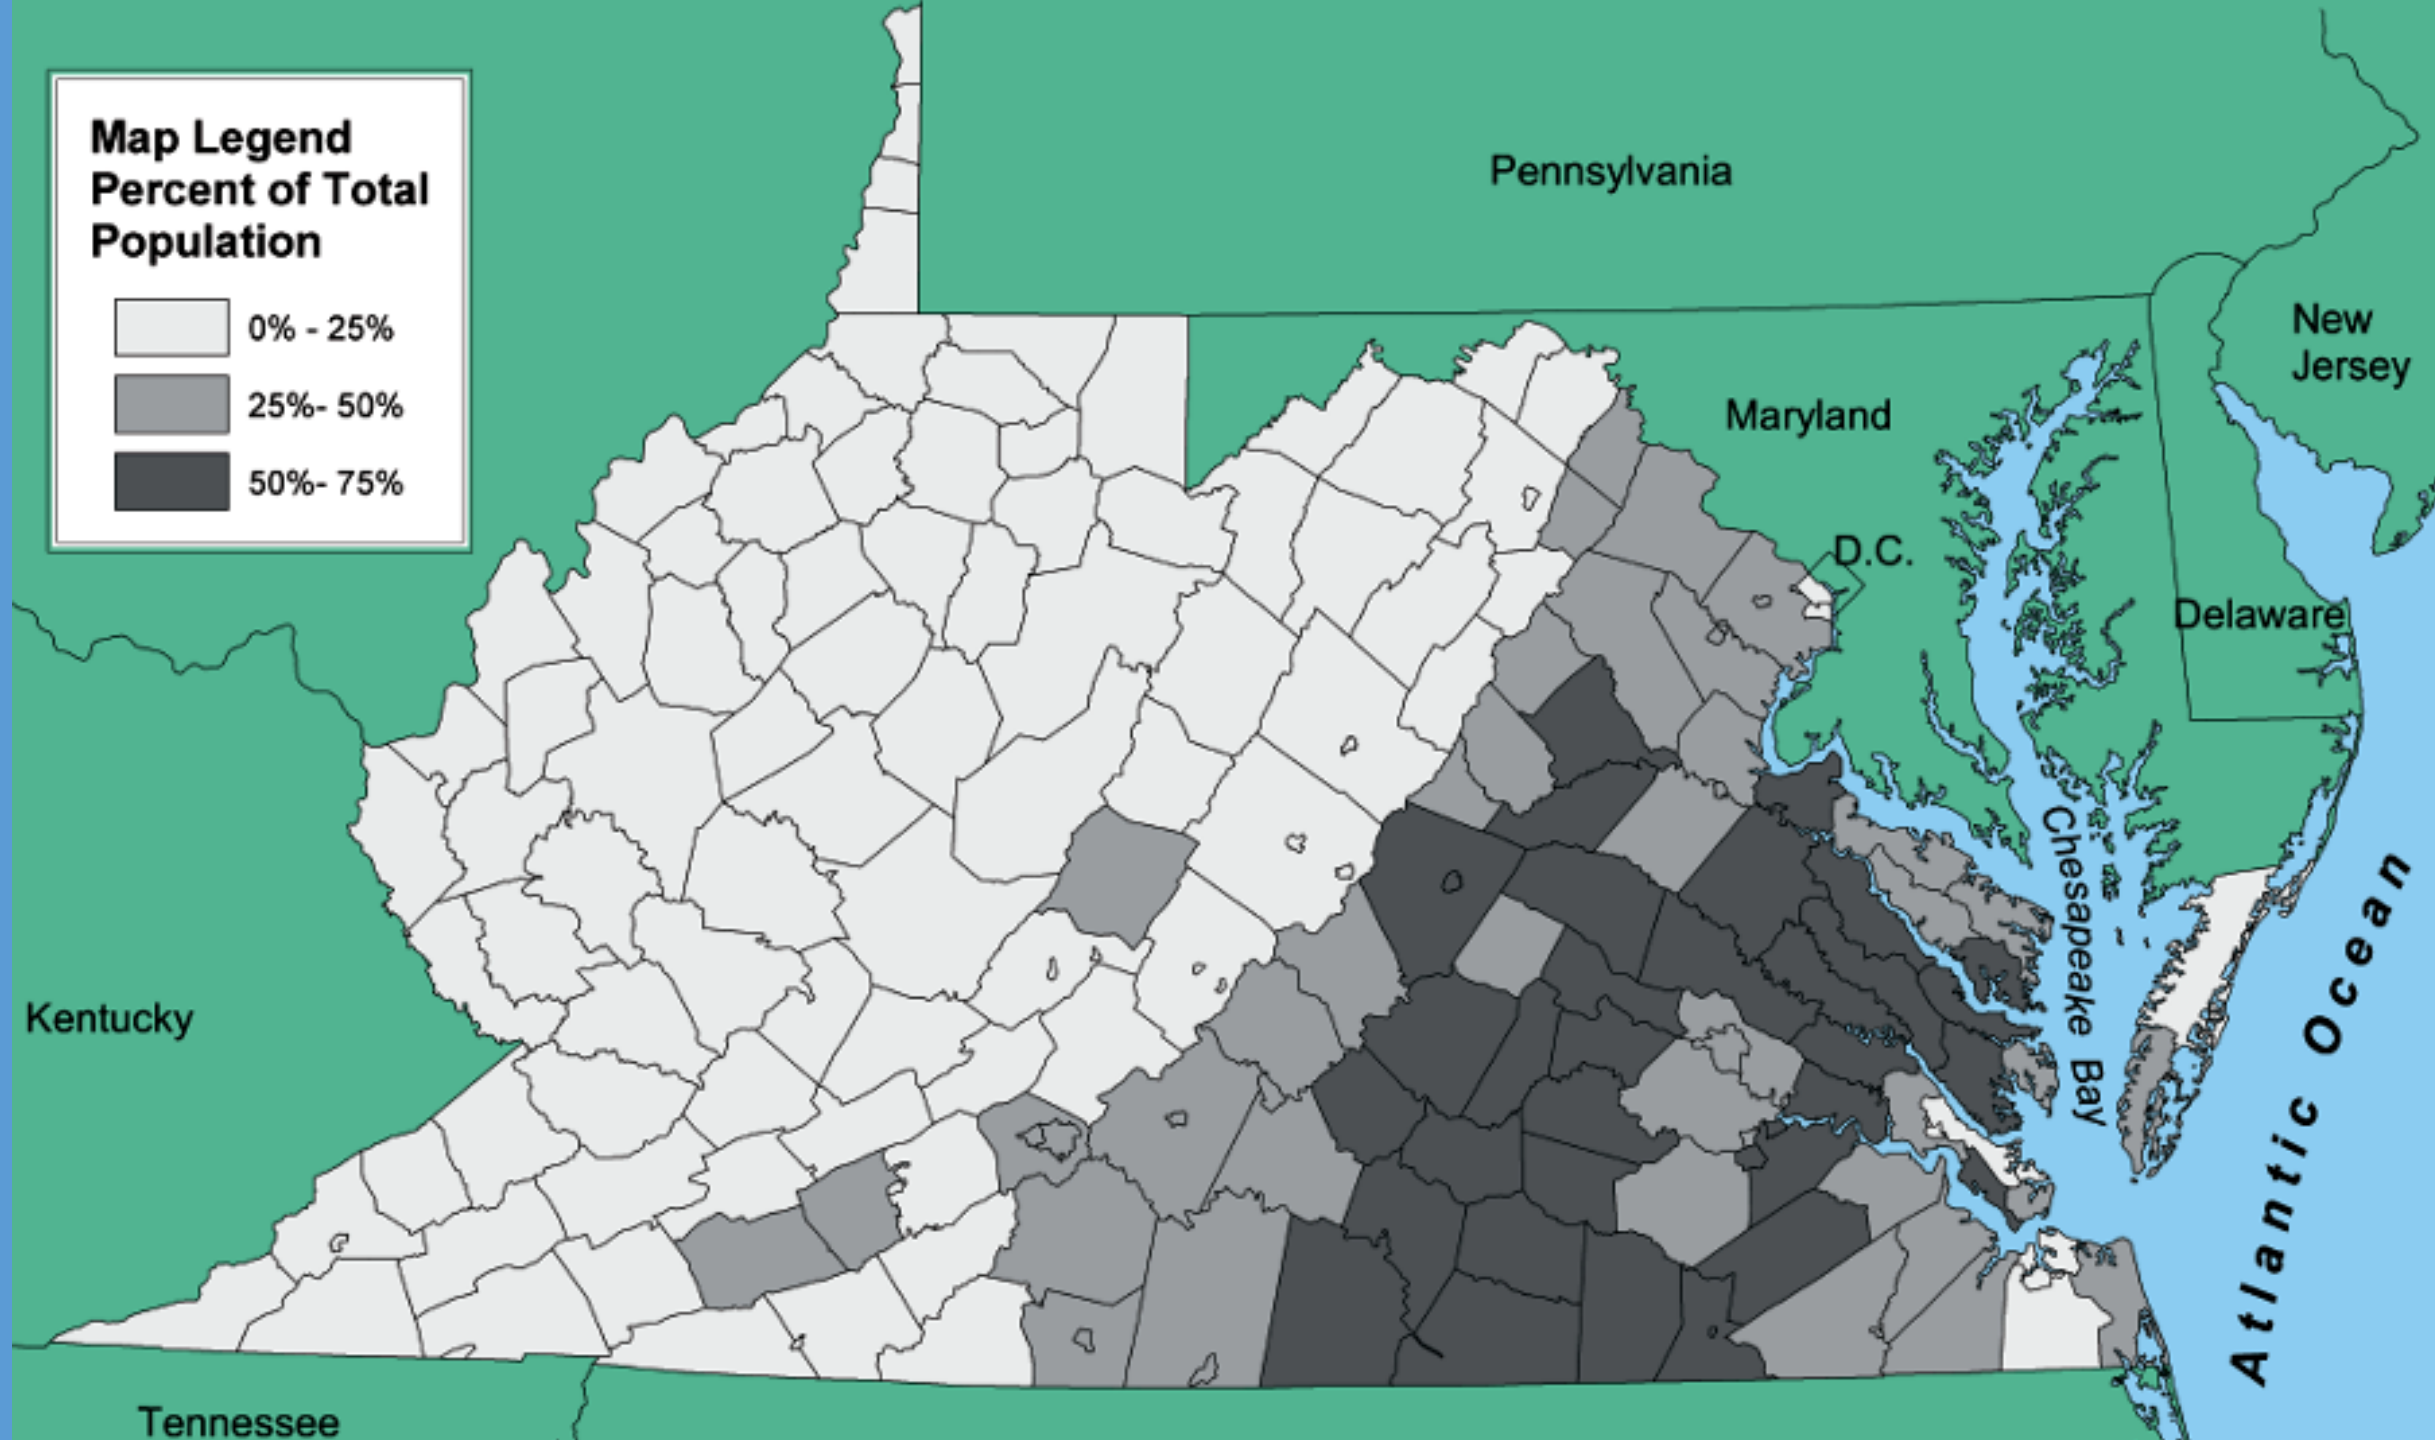

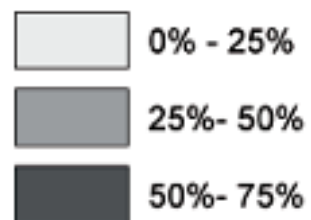

University of Virginia

RUN away from the subscriber in *Albemarle*, a Mulatto slave called *Sandy*, about 35 years of age, his stature is rather low, inclining to corpulence, and his complexion light; he is a shoemaker by trade, in which he uses his left hand principally, can do coarse carpenters work, and is something of a horse jockey; he is greatly addicted to drink, and when drunk is insolent and disorderly, in his conversation he swears much, and in his behaviour is artful and knavish. He took with him a white horse, much scarred with traces, of which it is expected he will endeavour to dispose; he also carried his shoemakers tools, and will probably endeavour to get employment that way. Whoever conveys the said slave to me, in *Albemarle*, shall have 40 s. reward, if taken up within the county, 4 l. if elsewhere within the colony, and 10 l. if in any other colony, from

THOMAS JEFFERSON.

Why “hold space”? Because #NeverAgain:

This is the photo of the receipt left by Phelps after a right wing rally in Charlottesville today. It has been reported by restaurant staff that this is his receipt and his name has been cropped out for safety of others. The reporters wish to remain anonymous for fear of doxxing by the right.

Daily stormer is a popular extreme right wing and neo Nazi website and 88 is a symbol for hiel Hitler's being that the letter h is the 8th in the alphabet. Common amongst many organized facets to do this.

“Unite the Right”
propaganda flier

UTR was an effort by white supremacists to unify various far-right factions into a cohesive movement. Emboldened by Trump #MAGA rhetoric, and ostensibly a defense of “free speech” and the Lee statue, UTR was the largest hate rally in decades. Poster combines Confederate, Third Reich, Italian fascist and “alt-right” symbols.
